NURSING INFO & UPCOMING NURSING EVENTS

Michigan Nursing Licensure Survey Data Online

The Michigan Center for Nursing conducted a survey of licensed nurses in 2007 to collect data on their employment status, geographic distribution, age, plans to continue practicing, work setting, practice area, education, gender, and racial/ethnic background. This report presents the survey findings and description of the survey methodology. A copy of the report is available online at www.michigancenterfornursing.org

Stay Informed on Nursing Issues in Michigan

The Michigan Center for Nursing has developed an e-Newsletter. Read it online or sign up to receive it in your email. We hope that through this newsletter we can share promising practices and events in Michigan that will build Michigan's nursing workforce. The Michigan Center for Nursing is working in partnership with the **Michigan Department of Community Health** to keep you informed on information on nursing issues in Michigan. We welcome your comments and suggestions. A copy of the MCN e-Newsletter is available online at www.michigancenterfornursing.org
