# The 22nd Annual Kjeldgaard Day Symposium

## “Neurocritical Care”

Charles A. Dana  
Health Education Center  
Maine Medical Center,  
Portland, Maine

Wednesday,  
October 15, 2008

The Kjeldgaard Day Symposium was established in 1986 in remembrance of J. Mark Kjeldgaard, M.D., former Director of the Division of Pulmonary Medicine, Department of Internal Medicine. This day is dedicated to his memory by the Division of Pulmonary and Critical Care Medicine.

### THE LOCATION

Portland, Maine's largest city, is an urban community located on the southern coast of Maine. Portland offers unique shopping opportunities in the distinct Old Port district, historical sites, museums, performing arts, and an excellent variety of restaurants. Many state parks, lighthouses, and other points of interest are a short drive away, as is Freeport, home of LL Bean and over 100 outlet stores.
