Respondent shall have the following Minimum Qualifications to be considered eligible to submit a Response to this ITN. A Respondent not meeting all of the following criteria stated below will have their Responses rejected:

- The Respondent must be able to submit pricing for the following item IDs: POLFG001, STLLE001, STLLE002, STLLE003, STLLE004, STLLE005, STLLE006, STLLU150, and STLPC010 as listed in the Appendix A Response Workbook.

Please note, any Respondent whose contract with JEA was terminated for default within the last two (2) years shall have their Response rejected.

1.2.2. EVALUATION METHODOLOGY

1.2.2.1. EVALUATION AND NEGOTIATION PROCESS (ITN)

JEA will make an Award a of a Contract to the Respondent that is able to demonstrate that it can successfully meet the requirements of this ITN, and can provide the best value to JEA.

JEA intends to select up two (2) to four (4) Respondents (the "Short-list") with which to commence negotiations. A selection committee (hereinafter referred to as the "Selection Committee"), will be appointed by the Chief Procurement Officer (the "CPO"), or his designee, to review and evaluate each Response submitted. The CPO's office will distribute a copy of each Response to each member of the Selection Committee, and the members of the Selection Committee will separately and independently evaluate and rank the Responses using the "Selection Criteria" as stated below in this ITN. JEA will use this ranking to develop the Short-list of companies in which to proceed with contract negotiations.

Prior to developing the Short-list, JEA may request that the Respondents provide additional information to clarify their Response. JEA will NOT allow Respondents to submit additional reference projects or change said reference projects that were initially submitted for the purposes of meeting the Minimum Qualifications stated in this ITN. However, JEA may request clarification of submitted documentation so that JEA may make an accurate assessment in developing the Short-list. JEA must be satisfied that the successful Respondent has the necessary technical expertise, experience, and resource capabilities to satisfactorily perform the Work described in this ITN.

JEA reserves the right to Award a Contract based on the Selection Committee's initial evaluation of the Responses if JEA deems the Responses demonstrate adequate competition, compliance, and responsiveness to this ITN. If JEA determines the previously stated criteria has not been met, JEA will finalize the Short-list and proceed with contract negotiations.

Respondents are cautioned to present the best possible pricing offer in their initial Responses. Failing to do so may result in a Respondent not making the Short-list, and will not be allowed to proceed with contract negotiations. Additionally, the prices submitted with the initial Response cannot be increased during the ITN process.

Once a Short-list is developed, the CPO, or his designee, will appoint a negotiating team (the "Negotiating Team"). The Negotiation Team may be comprised of the same individuals as were members of the Selection Committee. JEA reserves the right to negotiate concurrently or separately with the Short-list Respondents. JEA reserves the right to seek clarifications, to request Response revisions, and to request any additional information deemed necessary for proper evaluation of the Responses. JEA reserves the right to incorporate value added services or industry standard innovations recommended by a Respondent into the Contract's scope of work.

A Respondent that is included on the Short-list may be required, at the sole option of JEA, to make an oral presentation, provide additional written clarifications to its Response, or JEA may require site visits to Respondent's facilities. Oral presentations hand-outs, and written clarifications will be attached to the Respondent's Response and will become a part of the Response as if originally submitted. The CPO or his designee will initiate and schedule a time and location for any presentations which may be required.

As a part of the negotiation process, JEA may contact the references provided by the Respondent for the purpose of independently verifying the information provided in the Response, and to assess the extent of success of the projects associated with those references. JEA also reserves the right to contact references not provided by Respondents. Respondents may be requested to provide additional references. The results of the reference checking may influence the final negotiation, ranking, and Award recommendation.

After written clarifications, oral presentations, site visits, and any other negotiations deemed by JEA to be in its best interest, the Short-list Respondents will be given a deadline to submit their best and final offer (the "Best and Final Offer" or "BAFO"). The negotiation process will stop upon submission of the BAFO. Respondents will not be allowed to make further adjustments to their BAFO or communicate further with JEA, except to respond to requests for clarification from the Negotiating Team.

The JEA Negotiating Team will adjust and calculate the final rankings of the Short-list based on the BAFO

submissions. JEA does not anticipate reopening negotiations after receiving the BAFOs, but reserves the right to do so if it believes doing so will be in the best interests of JEA. In the event that JEA reopens negotiations, any final rankings will be revised accordingly.

Negotiations will not be open to the public, but will be recorded. All recordings of negotiations and any records, documents, and other materials presented at negotiation sessions are public records and can be released pursuant to a public records request after a notice of intended decision for this ITN is posted, or thirty (30) days after the opening of the Responses, whichever occurs earlier.

The Award recommendation of the Negotiating Team will be based upon the scoring of the BAFOs and the Selection Criteria described below in this ITN. The Respondent with the highest score will be submitted to the CPO for approval. Once approved, the CPO will then present an Award to the JEA Awards Committee for final approval.

In its sole discretion, JEA reserves the right to withdraw this ITN either before or after receiving Responses, to reject any and all Responses either in whole or in part, with or without cause, or to waive any ITN requirement informalities, minor irregularities, and deficiencies in any Response, and to determine such action is in the best interest of JEA. Issuance of this ITN in no way constitutes a commitment by JEA to make an Award or enter into a Contract.

All Responses submitted to JEA are subject to the JEA's terms and conditions contained in this ITN and JEA's Procurement Code. Any and all additional terms and conditions submitted by Respondents are rejected and shall have no force.

1.2.3. SELECTION CRITERIA

The following criteria will be used by JEA to evaluate and rank the qualified Responses to determine which Respondents are selected for the Short-list and to participate in the negotiation phase of the ITN process. Details on how each selection criterion is calculated can be found in the Inventory Evaluation Matrix.

1.2.3.1 QUOTATION OF RATES INCLUDING CARRYING COSTS (65 POINTS)

Respondent shall provide pricing for the initial five (5) year Term of the Contract by completing the enclosed Response Workbook. Respondents are required to provide pricing for items POLFG001, STLLE001, STLLE002, STLLE003, STLLE004, STLLE005, STLLE006, STLLU150, and STLPC010 identified on the Response Workbook.

JEA will determine which Respondent has the lowest pricing by calculating a total price for each Respondent by totaling the prices for the items that all Respondents provided pricing for (referred to as the “Common Items”). For each Respondent, JEA will then add the carrying costs to a Respondent’s total price. JEA will calculate the carrying costs using the prices and on hand quantities required (based on lead times) stated on the Response Workbook. The Respondent with the lowest total cost (including carrying costs) to JEA will receive higher points.

Any item that is not included within the Common Items will be reviewed and may also be included in the Contract awarded to the highest ranked Respondent. If the highest ranked Respondent is unable to provide any items not in the Common Items, JEA will then review the next highest ranked Respondent to determine if an additional contract is needed.

Respondents are required to return their completed Response Workbook in a Microsoft Excel format.

Note: Prices submitted in the Response Workbook cannot be increased during the ITN process.

1.2.3.2 LEAD TIME (25 POINTS)

Respondent shall specify lead times for each item listed on the “Lead Time Items” tab of the enclosed Response Workbook. Lead times shall be stated as a specific number of calendar days, ranges of days will not be accepted. Only the items identified on “Lead Time Items” tab will be used for evaluation.

Higher points will be given for the lead times that meet or exceed the specified criteria.

1.2.3.4 NUMBER OF APPROVED ITEMS BID (10 POINTS)

Respondent shall list the number of items identified on the Response Workbook for which it intends to provide pricing.

Higher points will be given to the Respondent who provides pricing for the most items listed in the Appendix A - Response Workbook.

1.3. NUMBER OF CONTRACTS TO BE AWARDED

JEA intends to Award ONE (1) Contract for the Work. JEA reserves the right to Award more than one (1) Contract based on certain groupings of the Work items, or JEA may exclude certain Work items, if JEA determines that it is in its best interest to do so.

1.3.1. REQUIRED FORMS TO SUBMIT WITH RESPONSE

The forms listed below must be completed and submitted to JEA at the times indicated below. The Respondent can obtain the forms, other than the Response Form, the Response Workbook, and the Technical Specifications, by downloading them from JEA.com.

1. The following forms are required to be submitted at the Response Due Date and Time:

- Response Form (including acknowledgements of all addenda) - This form can be found in Appendix A
- Response Workbook - This form can be found in Appendix A (Include Excel format on the electronic submittal)
- List of Subcontractors/Shop Fabricators (if any)

If the above listed forms are not submitted with the Response by the Response Due Time on the Response Due Date, JEA may reject the Response.

2. The following documents are to be submitted prior to execution of Contract. A Response will not be rejected if these forms are not submitted at the Response Due Time and Date. However, failure to submit these documents at the time of Contract execution could result in Response rejection.

- Conflict of Interest Certificate Form
- Insurance Certificate
- W-9
- Evidence of active registration with the State of Florida Division of Corporations (www.sunbiz.org)
- Any additional technical submittals as required by the Technical Specifications.

1.4 GENERAL INSTRUCTIONS

1.4.1 SUBMITTING THE RESPONSE

The Respondent shall submit one (1) original hard copy of the Response, two (2) duplicate hard copies of the Response, and one (1) electronic copy of the Response submitted on a CD or a thumb drive. The Response Workbook must be saved in an Excel format.

JEA will not accept Responses via email.

1.4.2 ALTERNATE PROVISIONS AND CONDITIONS

Responses that contain provisions that are contrary to requirements found in this ITN, including, but not limited to, the Contract terms contained in Section 2 of this ITN, and any requirements found in the Technical Specifications attached as Appendix A to this ITN, are not permitted. If a Respondent has any questions or requests for changes to the requirements or terms and conditions of this ITN, such questions and requests shall be in writing and received by JEA at least five (5) business days prior before to the date set by JEA for the Opening of the Responses.

Including alternate provisions and conditions in a Response may result in the Response being deemed non-responsive to the ITN and disqualification of the Response will be disqualified (even if the highest evaluated). However, as this is an ITN, JEA reserves the right to negotiate the best terms and conditions if determined to be in the best interests of JEA.

In submitting a Response, a Respondent agrees to be bound by the Contract terms contained in Section 2 of this ITN. Respondents should assume that those terms will apply to the Contract, but JEA reserves the right to negotiate different terms and related price adjustments if JEA determines that it provides the Best Value to JEA.

1.3.3. ADDENDA

JEA may issue Addenda prior to the Response opening date to revise, in whole or in part, or clarify the intent or requirements of the ITN. The Respondent shall be responsible for ensuring it has received all Addenda prior to submitting its Response and shall acknowledge receipt of all Addenda by indicating where requested on the Response Form. JEA will post all Addenda when issued online at jea.com. The Respondent must obtain Addenda from the JEA website. All Addenda will become part of the ITN and any resulting Contract Documents. It is the responsibility of each Respondent to ensure it has received and incorporated all Addenda into its Response. Failure to acknowledge receipt of Addenda may be grounds for rejection of a Response.

2.4.3. CONTRACT EXECUTION AND START OF WORK

Within thirty (30) days from the date of Award, JEA will present the successful Respondent with the Contract Documents. Unless expressly waived by JEA, the successful Respondent shall execute a Contract for the Work or Services within ten (10) days after receiving the Contract from JEA. If the Respondent fails to execute the Contract or associated documents as required, or if it fails to act on a JEA-issued Purchase Order (PO), JEA may cancel the Award with no further liability to the Respondent, retain the bid security or bond (if applicable), and Award to the next-ranked company.

Upon JEA's receipt of the executed Contract, certificate of insurance, and recorded Payment and Performance bonds (if applicable), JEA will issue a Blanket Purchase Agreement, in writing and signed by an authorized JEA representative as acceptance of the Response and authorization for the company to proceed with the Work, unless otherwise stated in the Contract or Blanket Purchase Agreement.

2.4.4. DEFINED TERMS

Words and terms defined in the Section entitled "Definitions" of this document are hereby incorporated by reference into the entire document.

2.4.5. EX PARTE COMMUNICATION

Ex Parte Communication is strictly prohibited. Ex Parte Communication is defined as any inappropriate communication concerning an ITN between a firm submitting a Response and a JEA representative during the time in which the ITN is being advertised through the time of Award. Examples of inappropriate communications include: private communications concerning the details of an ITN in which a Respondent becomes privy to information not available to the other Respondents. Social contact between Respondents and JEA representatives should be kept to an absolute minimum during the ITN process.

Failure to adhere to this policy will disqualify the noncompliant company's Response. Any questions or clarifications concerning an ITN must be sent in writing via email to the JEA Buyer at least five (5) business days prior to the opening date. If determined by JEA, that a question should be answered or an issue clarified, JEA will issue an addendum to all Respondents.

For more information on Ex Parte communications, see JEA Procurement Code, Article 1-110, which is available at jea.com.

2.4.6. PUBLIC RECORDS AND SUNSHINE LAW

General

Article I, section 24, Florida Constitution, guarantees every person access to all public records and Chapter 119, Florida Statutes, provides a broad definition of public records. JEA is a body politic and corporate and subject to these laws and related statutes ("Florida's Public Records Laws"). All responses to this ITN are public records and available for public inspection unless specifically exempt by law.

Redacted Submissions

If a Respondent believes that any portion of the documents, data or records submitted in response to this ITN are exempt from Florida's Public Records Laws, Respondent must (1) clearly segregate and mark the specific sections of the document, data or records as "Confidential", (2) cite the specific Florida Statute or other legal authority for the asserted exemption, and (3) provide JEA with a separate redacted copy of its response (the "Redacted Copy"). The cover of the Redacted Copy shall contain JEA's title and number for this ITN and Respondent's name, and shall be clearly titled "Redacted Copy". Respondent should only redact those portions of records that Respondent claims are specifically exempt from disclosure under Florida's Public Records Laws. If Respondent fails to submit a redacted copy of information it claims is confidential, JEA is authorized to produce all documents, data and other records submitted to JEA in answer to a public records request for such information.

In the event of a request for public records to which documents that are marked as confidential are responsive, JEA will provide the Redacted Copy to the requestor. If a requestor asserts a right to any redacted information, JEA will notify Respondent that such an assertion has been made. It is Respondent's responsibility to respond to the requestor to assert that the information in question is exempt from disclosure under applicable law. If JEA becomes subject to a demand for discovery or disclosure of Respondent's redacted information under legal process, JEA shall give Respondent prompt notice of the demand prior to releasing the information (unless otherwise prohibited by applicable law). Respondent shall be responsible for defending its determination that the redacted portions of its response are not subject to disclosure.

By submitting a response to this ITN, Respondent agrees to protect, defend and indemnify JEA from and against all claims, demands, actions, suits, damages, liabilities, losses, settlements, judgments, costs and expenses (including

but not limited to reasonable attorney's fees and costs) arising from or relating to Respondent's determination that the redacted portions of its response to this ITN are not subject to disclosure.

2.4.7. JEA PUBLICATIONS

Applicable JEA publications are available at jea.com.

JEA will, however, make reasonable efforts to mitigate the excess costs of completing the Work.

The Contract Documents shall in no way limit JEA's right to all remedies for nonperformance provided under law or in equity, except as specifically set forth herein. In the event of termination for nonperformance, the Company shall immediately surrender all Work records to JEA. In such a case, JEA may set off any money owed to the Company against any liabilities resulting from the Company's nonperformance.

JEA has no responsibility whatsoever to issue notices of any kind, including but not limited to deficient performance letters and scorecards, to the Company regarding its performance prior to default by Company for performance related issues.

JEA shall have no liability to the Company for termination costs arising out of the Contract, or any of the Company's subcontracts, as a result of termination for default.

2.9. CONFIDENTIALITY AND OWNERSHIP OF DOCUMENTATION

2.9.1. CONFIDENTIALITY AND PUBLIC RECORD LAWS

Access to Public Records

All documents, data and other records received by JEA in connection with the Contract are public records and available for public inspection unless specifically exempt by law. The Company shall allow public access to all documents, data and other records made or received by the Company in connection with the Contract unless the records are exempt from section 24(a) of Article I of the Florida Constitution or subsection 119.07(1), Florida Statutes. JEA may unilaterally terminate the Contract if the Company refuses to allow public access as required under the Contract.

Redacted Copies of Confidential Information

If the Company believes that any portion of any documents, data or other records submitted to JEA are exempt from disclosure under Chapter 119, Florida Statutes, the Florida Constitution and related laws ("Florida's Public Records Laws"), Company must (1) clearly segregate and mark the specific sections of the document, data or records as "Confidential," (2) cite the specific Florida Statute or other legal authority for the asserted exemption, and (3) provide JEA with a separate redacted copy of the documents, data or records (the "Redacted Copy"). The Redacted Copy shall contain JEA's Contract name and number, and shall be clearly titled "Redacted Copy". Respondent should only redact those portions of records that Respondent claims are specifically exempt from disclosure under Florida's Public Records Laws. If the Company fails to submit a redacted copy of documents, data or other records it claims is confidential, JEA is authorized to produce all documents, data and other records submitted to JEA in answer to a public records request for these records.

Request for Redacted Information

In the event of a public records or other disclosure request under Florida's Public Records Laws or other authority to which the Company's documents, data or records are responsive, JEA will provide the Redacted Copy to the requestor. If a requestor asserts a right to any redacted information, JEA will notify the Company that such an assertion has been made. It is the Company's responsibility to respond to the requestor to assert that the information in question is exempt from disclosure under applicable law. If JEA becomes subject to a demand for discovery or disclosure of the redacted information under legal process, JEA shall give the Company prompt notice of the demand prior to releasing the redacted information (unless otherwise prohibited by applicable law). The Company shall be responsible for defending its determination that the redacted portions of the information are not subject to disclosure.

Indemnification for Redacted Information

The Company shall protect, defend and indemnify JEA from and against all claims, demands, actions, suits, damages, liabilities, losses, settlements, judgments, costs and expenses (including but not limited to reasonable attorney's fees and costs) arising from or relating to the Company's assertion that all or any portion of its information is not subject to disclosure.

Public Records Clause for Service Contracts

If, under the Contract, the Company is providing services and is acting on behalf of JEA as contemplated by subsection 119.011(2), Florida Statutes, the Company shall:

- Keep and maintain public records that ordinarily and necessarily would be required by JEA in order to perform the service;
- Provide the public with access to public records on the same terms and conditions that JEA would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law;

- Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and
- Meet all requirements for retaining public records and transfer, at no cost, to JEA all public records in possession of the Company upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically shall be provided to JEA in a format that is compatible with the information technology systems of JEA.

2.9.2. PROPRIETARY INFORMATION

The Company shall not copy, reproduce, or disclose to third parties, except in connection with the Work, any information that JEA furnishes to the Company. The Company shall insert in any subcontract a restriction on the use of all information furnished by JEA. The Company shall not use this information on another project. All information furnished by JEA will be returned to JEA upon completion of the Work.

2.9.3. PUBLICITY AND ADVERTISING

The Company shall not take any photographs, make any announcements or release any information concerning the Contract or the Work to any member of the public, press or official body unless prior written consent is obtained from JEA. JEA is governed by the Florida Public Records Laws so all Contract Documents are available for public inspection. In addition, JEA is governed by Florida Sunshine Laws and as such, certain meetings are required to be open to the public.

2.10. LABOR

2.10.1. NONDISCRIMINATION

The Company represents that it has adopted and will maintain a policy of nondiscrimination against employees or applicants for employment on account of race, religion, sex, color, national origin, age or handicap, in all areas of employee relations, throughout the Term of this Contract. The Company agrees that on written request, it will allow JEA reasonable access to the Company's records of employment, employment advertisement, application forms and other pertinent data and records for the purpose of investigation to ascertain compliance with the nondiscrimination provisions of this Contract; provided however, the Company shall not be required to produce, for inspection, records covering periods of time more than one (1) year from the effective date of this Contract.

The Company shall comply with the following executive orders, acts, and all rules and regulations implementing said orders or acts, which are by this reference incorporated herein as if set out in their entirety:

- The provisions of Presidential Order 11246, as amended, and the portions of Executive Orders 11701 and 11758 as applicable to Equal Employment Opportunity;
- The provisions of section 503 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act (ADA); and
- The provisions of the Employment and Training of Veterans Act, 38 U.S.C. 4212 (formerly 2012).

The Company agrees that if any of the Work of this Contract will be performed by a Subcontractor, then the provisions of this subsection shall be incorporated into and become a part of the subcontract.

2.10.2. LEGAL WORKFORCE

JEA shall consider the employment, by Company, of unauthorized aliens a violation of section 274A(e) of the Immigration and Nationalization Act. Such violation shall be cause for unilateral cancellation of the Contract upon thirty (30) days' prior written notice of such cancellation, notwithstanding any other provisions to the contrary in the Specifications and other Contract Documents.

2.10.3. PROHIBITED FUTURE EMPLOYMENT

It shall be unlawful and a class C offense for any person, who was an officer or employee of JEA, after his or her employment has ceased, to be employed by or enter into any contract for personal services, with a person or company who contracted with, or had a contractual relationship with JEA, while the contract is active or being completed, or within two years of the cessation, completion, or termination of the person's or company's contractual relationship with JEA, where (1) the contract with JEA had a value that exceeded \$250,000, and (2) the officer or employee had a substantial and decision-making role in securing or negotiating the contract or contractual relationship, or in the approval of financial submissions or draws in accordance with the terms of the contract; except that this prohibition shall not apply to an employee whose role is merely as a review signatory, or to contracts entered into prior to January 1, 2008, or to contracts that have been competitively procured. With respect to this subsection a contract is competitively procured if it has been obtained through a sealed low bid award. A "substantial and decision-making role" shall include duties and/or responsibilities that are collectively associated with: (i) approving solicitation or payment documents; (ii) evaluating formal bids and Responses; and (iii) approving and/or issuing award recommendations for JEA Awards Committee approval. The contract of any person or business entity who hires or contracts for services with any officer or employee prohibited from entering into said relationship shall be voidable at the pleasure of JEA. This prohibition shall not apply to any former officer or employee after two (2) years from cessation from JEA employment.

2.10.4. HIRING OF OTHER PARTY'S EMPLOYEES

Each party recognizes that the other party has incurred or will incur significant expenses in training its own employees and agrees that it will not pursue or hire, without the other party's consent, the other party's employees or the employees of its subsidiaries for a period of two (2) years from the termination date of this Contract.

2.11. COMPANY'S RESPONSIBILITIES AND PERFORMANCE OF THE CONTRACT

2.11.1. COMPANY REPRESENTATIVES

The Company shall provide JEA with the name and responsibilities of the Company Representative, in writing after Award of the Contract and before starting the Work under the Contract. Should the Company need to change the Company Representative, the Company shall promptly notify JEA in writing of the change.

2.11.2. COMPANY REVIEW OF PROJECT REQUIREMENTS

The Company shall review the Work requirements and specifications prior to commencing Work. The Company shall immediately notify the Contract Administrator in writing of any conflict with applicable law, or any error, inconsistency or omission it may discover. JEA will promptly review the alleged conflicts, errors, inconsistencies or omissions, and issue a Change Order or Purchase Order as appropriate if JEA is in agreement with the alleged conflict, and issue revised specifications. Any Work the Company performs prior to receipt of approved Change Order will be at the Company's sole risk.

2.11.3. FORCE MAJEURE

No party shall be liable for any default or delay in the performance of its obligations under this Contract due to an act of God or other event to the extent that: (a) the non-performing party is without fault in causing such default or delay; (b) such default or delay could not have been prevented by reasonable precautions; and (c) such default or delay could not have been reasonably circumvented by the non-performing party through the use of alternate sources, work-around plans or other means. Such causes include, but are not limited to: act of civil or military authority (including but not limited to courts or administrative agencies); acts of God; war; terrorist attacks; riot; insurrection; inability of JEA to secure approval, validation or sale of bonds; inability of JEA or the Company to obtain any required permits, licenses or zoning; blockades; embargoes; sabotage; epidemics; fires; hurricanes, tornados, floods; or strikes.

In the event of any delay resulting from such causes, the time for performance of each of the parties hereunder (including the payment of monies if such event actually prevents payment) shall be extended for a period of time reasonably necessary to overcome the effect of such delay, except as provided for elsewhere in the Contract Documents.

In the event of any delay or nonperformance resulting from such causes, the party affected shall promptly notify the other in writing of the nature, cause, date of commencement and the anticipated impact of such delay or nonperformance. Such written notice, including Change Orders, shall indicate the extent, if any, to which it is anticipated that any delivery or completion dates will be thereby affected within seven (7) calendar days.

2.11.4. OVERSHIPMENTS

JEA will reject any items that are attempted to be delivered but that JEA did not order, including excess quantities. The Company shall pay the cost of handling, packaging and transporting such equipment for return.

2.11.5. RETURNED OR UNUSED MATERIALS

To the extent that items can be resold by the Company, the Company agrees to take back for full credit or monetary refund to JEA all excess items purchased pursuant to this Contract or items that may be added to this Contract in the future.

2.11.6. SAFETY AND PROTECTION PRECAUTIONS

The Company shall comply with all applicable federal, state and local laws, ordinances, all JEA procedures and policies including any orders of any public body having jurisdiction for the safety of persons or protection of property. The Company understands and agrees that a violation of any provision of this clause is grounds for a Termination for Default, with no requirement to provide Company with a notice to cure. Additionally, the Company shall be responsible for all JEA damages associated with such termination.

The Company understands and agrees that JEA Representatives may stop Work at any time that JEA, at its sole discretion, considers the Company's Work to be unsafe or a risk to property, and to direct the Company to, at a minimum, perform as directed in such a way as to render the Work environment safe. The Company understands and agrees that it is responsible for paying all costs associated with providing a safe work environment including, but not limited to, any costs associated with any JEA directed safety improvements. The Company further understands and agrees that it is solely responsible for the safety of personnel and property associated with the Work, and that any actions taken by JEA to prevent harm to persons or damage to equipment does not, in any way, relieve the Company of this responsibility.

The Company Representative, or alternatively, the Company Supervisor, shall be designated as the Company's individual responsible for the prevention of accidents.

2.11.7. SHIPPING - FOB DESTINATION

Items are purchased F.O.B. destination. The Company shall ensure the following:

- Pack and mark the shipment to comply with the Contract specifications; or in the absence of specifications in the Contract Documents, prepare the shipment in conformance with carrier requirements;
- Prepare and distribute commercial bills of lading;
- Deliver the shipment in good order and condition to the point of delivery specified in the Contract;
- Be responsible for any loss of and/or damage to the goods occurring before receipt of the shipment by JEA Representative at the delivery point specified in the Contract;
- Be responsible for obtaining any permits required for transportation to the installation site;
- Furnish a delivery schedule and designate the mode of delivering carrier; and
- Pay and bear all charges to the specified point of delivery.

2.11.8. SHIPPING AND PACKING INSTRUCTIONS

Insofar as transportation conditions will allow, the Company shall ship items complete and ready for installation or storage as appropriate for the items being supplied.

As applicable, should the size of the items prevent shipment fully assembled, the Company will separate the items into components to allow safe and convenient transportation.

The Contract Administrator's receipt or taking Delivery of any items, in whole or in part, will not be deemed a waiver of any right, claim or remedy or Acceptance of JEA under the Contract or otherwise.

The Company shall pack, brace and load all items in such a manner as to prevent physical damage and damage from marine and climatic conditions. The Company shall identify any item that requires special precautions during shipping and storage by clearly marking necessary precautions on the outside of the shipping container and including specific instructions in a durable envelope attached to the container and suitably labeled.

The Company shall ship welding rods in sealed metal containers that are properly identified.

The Company shall clearly and indelibly mark all packages, boxes, crates, bundles, and unpackaged components with the necessary shipping information. The Company shall apply the markings using a method suitable to the type of product and packaging involved. The Company's markings shall indicate: the destination address, the JEA Purchase Order (PO) number or JEA Blanket Purchase Agreement (BPA) number and the Company's name; the material code numbers and other identification as specified by the PO or BPA; the Company's shipment identification number, numbering of packages, boxes, crates, components, or assemblies of the shipment; and the mass and sizes of each major component or assembly (if the lifting points are critical, they shall be clearly marked and identified). Where JEA marks or serial numbers are included as tags on the items being shipped, the Company shall also print the JEA marks or serial numbers on the shipping documents. A copy of the packing slip shall be mailed to the delivery address prior to shipping the items.

The Company shall enclose a detailed packing slip, listing each separate item, in a waterproof envelope, which shall be firmly attached to each shipping container. When conformance to an ISO Quality Program Standard is required, each packing slip shall include the following certification: "The equipment listed herein has been inspected by the Company and is in conformance with the Contract requirements and approved for shipment." Such certification shall be endorsed with the signature and the title of an authorized representative of the Company's Quality Control. For instruments, the Company shall also enclose a list showing JEA's mark numbers.

The Company shall be responsible for identifying opportunities and implementing practices to reduce or eliminate packaging and shall properly dispose of all packaging.

The Company shall seal all openings in equipment such as vessels, valves and pumps. Where necessary, the Company shall provide skids, hauling eyes, jacking plates, and sling hooks for unloading and field assembly. The Company shall notify JEA prior to shipping where pallets are required; JEA will provide pallets to the Company for shipping purposes. The Company will be liable for any pallets lost or damaged by the Company.

2.11.9. DELIVERY TIMES AND LOCATION

Delivery Times: 7:30 AM - 3:00 PM

Delivery Location: JEA Storeroom, 6674 Commonwealth Avenue, Jacksonville, FL 32254

2.11.10. JEA CHANGES TO ORDER

JEA shall have the right to make changes to the Work at any time and the Company agrees to accept such changes. In the event such changes result in decreased or additional costs, JEA shall make an equitable adjustment in the Contract Price provided the Company itemizes for JEA any additional costs.

2.11.11. SAFETY DATA SHEETS (SDS)

Pursuant to Florida Statutes, Safety Data Sheets (SDS) must accompany shipments of any items containing toxic substances.

2.12. VENDOR PERFORMANCE EVALUATION

Use of Vendor Performance Evaluation Scorecards

JEA may evaluate the Company's performance using the evaluation criteria shown on the vendor scorecard available online at JEA.com.

Scores for all metrics shown on the evaluation range from a low of 1, meaning significantly deficient performance, to a high of 5, meaning exceptionally good performance. The Company's performance shall be classified as Top Performance, Acceptable Performance, or Unacceptable Performance, as defined herein. The evaluator will be a designated JEA employee. The evaluator's supervisor and the Chief Purchasing Officer will review deficient performance letters and Unacceptable Performance scorecards, as described below, prior to issuance. When evaluating the Company's performance, JEA will consider the performance of the Company's Subcontractors and suppliers, as part of the Company's performance.

Frequency of Evaluations

JEA may conduct performance evaluations and prepare scorecards in accordance with the procedures described herein at any time during performance of the Work or soon after the completion of the Work. JEA may conduct one or more evaluations determined solely at the discretion of JEA.

Unacceptable Performance

- If at any time, JEA determines, using the criteria described on the scorecard, that the performance of the Company is Unacceptable, the Contract Administrator and Chief Procurement Officer or his designated alternate will notify the Company of such in a letter. The Company shall have ten (10) days to respond to the Contract Administrator. Such response shall include, and preferably be delivered in-person by an officer of the Company, the specific actions that the Company will take to bring the Company's performance up to at least Acceptable Performance.
- Within thirty (30) days from date of the first Unacceptable Performance letter, the Contract Administrator and Chief Purchasing Officer or his designated alternate will notify the Company by letter as to whether its performance, as determined solely by JEA, is meeting expectations, or is continuing to be Unacceptable. If the Company's performance is described in the letter as meeting expectations, no further remedial action is required by the Company, as long as Company's performance continues to be Acceptable.
- If the Company's performance as described in the letter continues to be Unacceptable, or is inconsistently Acceptable, then the Company shall have fifteen (15) days from date of second letter to demonstrate solely through its performance of the Work, that it has achieved Acceptable Performance. At the end of the fifteen (15) day period, JEA will prepare a scorecard documenting the Company's performance from the start of Work, or date of most recent scorecard, whichever is latest, and giving due consideration to improvements the Company has made in its performance, or has failed to make. If the scorecard shows Company's performance is Acceptable, then no further remedial action is required by Company as long as Company's performance remains Acceptable. If the scorecard shows the Company's performance is Unacceptable, JEA will take such actions as it deems appropriate including, but not limited to, terminating the Contract for breach, suspending the Company from bidding on any JEA related solicitations, and other remedies available in the JEA Purchasing Code and in law. Such action does not relieve the Company of its obligations under the Contract, nor does it preclude an earlier termination.
- In the event that the Contract Term or the remaining Term of the Contract does not allow for the completion of the deficient performance notification cycles described above for those in danger of receiving an Unacceptable Performance scorecard, JEA may choose to accelerate these cycles at its sole discretion.
- If the Company receives five or more letters of deficiency within any twelve (12) month period, then JEA will prepare a scorecard describing the deficiencies and the Company's performance will be scored as Unacceptable.

Acceptable Performance

JEA expects the Company's performance to be at a minimum Acceptable.

Disputes

In the event that the Company wants to dispute the results of its scorecard performance evaluation, the Company must submit a letter to the Chief Procurement Officer supplying supplemental information that it believes JEA failed to take into account when preparing the scorecard. Such letter, along with supplemental information, must be submitted no later than ten (10) days following the Company's receipt of the scorecard. If the Chief Procurement Officer decides to change the scorecard, the Company will be notified and a revised scorecard will be prepared, with a copy issued to the Company. If the Chief Procurement Officer decides that no change is warranted, the decision of the Chief Procurement Officer is final. If the Company is to be suspended from consideration for future Award of any contracts, the Company may appeal to the Procurement Appeals Board as per JEA Procurement Code.

Public Records

There can be no expectation of confidentiality of performance-related data in that all performance-related data is subject to disclosure pursuant to Florida Public Records Laws. All scorecards are the property of JEA.

2.13. MISCELLANEOUS PROVISIONS

This Contract constitutes the entire agreement between the parties. No statement, representation, writing, understanding, or agreement made by either party, or any representative of either party, which are not expressed herein shall be binding. 2.13.10. REFERENCES

Unless otherwise specified, each reference to a statute, ordinance, law, policy, procedure, process, document, drawing, or other informational material is deemed to be a reference to that item, as amended or supplemented from time to time. All referenced items shall have the enforcement ability as if they are fully incorporated herein.

2.13.11. SEVERABILITY

In the event that any provision of this Contract is found to be unenforceable under applicable law, the parties agree to replace such provision with a substitute provision that most nearly reflects the original intentions of the parties and is enforceable under applicable law, and the remainder of this Contract shall continue in full force and effect. With regard to any provision in this agreement pertaining to damages, equitable or otherwise, it is the intent of the Parties that under no circumstances shall there be recovery for home office overhead. Any damages claimed shall be proven by discreet accounting of direct project costs and no theoretical formula or industry estimating reference manuals shall be permissible.

2.13.12. RELATIONSHIP OF THE PARTIES

The Company agrees that it shall perform the Work as an independent contractor and that it does not (a) have the power or authority to bind JEA or to assume or create any obligation or responsibility, express or implied, on JEA's part or in JEA's name, except as may be authorized by JEA under a separate written document, or (b) represent to any person or entity that it has such power or authority except as may be authorized by JEA under a separate written document.

2.13.13. SUBCONTRACTING OR ASSIGNING OF CONTRACT

Each party agrees that it shall not subcontract, assign, delegate, or otherwise dispose of the Contract, the duties to be performed under the Contract, or the monies to become due under the Contract without the other party's prior written consent.

The assignment of the Contract will not relieve either of the parties of any of its obligations until such obligations have been assumed in writing by the assignee. If the Contract is assigned by either of the parties, it will be binding upon and will inure to the benefit of the permitted assignee. The Company shall be liable for all acts and omissions of its assignee or its Subcontractor.

In the event the Company obtains JEA approval to use Subcontractors, the Company is obligated to provide Subcontractors possessing the skills, certifications, registrations, licenses, training, tools, demeanor, motivation and attitude to successfully perform the work for which they are subcontracted. The Company is obligated to remove Subcontractors from performing Work under this Contract when the Company recognizes that a Subcontractor is

failing to work in a manner consistent with the requirements of this Contract, or when JEA notifies the Company that JEA has determined a Subcontractor is failing to work in a manner consistent with the requirements of this Contract.

2.13.14. SURVIVAL

The obligations of JEA and the Company under this Contract that are not, by the express terms of this Contract, to be performed fully during the Term, shall survive the termination of this Contract.

2.13.15. TIME AND DATE

Unless otherwise specified, references to time of day or date mean the local time or date in Jacksonville, FL. If under this Contract any payment or calculation is to be made, or any other action is to be taken, on or as of a day that is not a regular business day for JEA, that payment or calculation is to be made, and that other action is to be taken, as applicable, on or as of the next day that is a regular business day. Where reference is made to day or days, it means calendar days. Where reference is made to workday, workdays, business day, or business days, it means regular working days for JEA Procurement.

A delay or omission by JEA hereto to exercise any right or power under this Contract shall not be construed to be a waiver thereof. A waiver by JEA under this Contract shall not be effective unless it is in writing and signed by the party granting the waiver. A waiver by a party of a right under or breach of, this Contract shall not be construed to operate as a waiver of any other or successive rights under, or breaches of, this Contract.

The Company's obligations to perform and complete the Work in accordance with the Contract shall be absolute. None of the following will constitute a waiver of any of JEA's rights under the Contract: approval of payments, including final payment; Certificate of Contract Completion; any use of the Work by JEA; nor any correction of faulty or defective work by JEA.

2.13.19. UNIFORM COMMERCIAL CODE

The Respondent with the lowest total cost (including carrying costs) to JEA will receive higher points.

Any item that is not included within the Common Items will be reviewed and may also be included in the Contract awarded to the highest ranked Respondent. If the highest ranked Respondent is unable to provide any items not in
