Letter from Judy Bechthold, Region 12 President

Ken and I left for Du Quoin, IL on 6/15 and returned home on 7/26. We had a great trip and saw many good friends. After the International Rally ended, we headed for Southern Washington to meet some other friends for a leisurely trip down the Pacific Coast. Du Quoin was hot and humid; the Pacific coast was pleasantly cool.

The Rally at Du Quoin was filled with many (sometimes too many) activities and something for everyone. I was pleased with our Region 12 turnout considering the distance to travel.

I think the highlights of the three meetings were: 1) we approved a balanced budget; 2) our delegates decided by an overwhelming majority that more than one person can be nominated for each International office; 3) the constitution revision was pulled from the agenda in order to give our membership another year to understand it and to make amendments to it; 4) the motor home motion will be sent to the delegates for 2012.

Our Region 12 breakfast had 55 attendees, most were Region 12 members. We held the breakfast on 6/29 which was earlier during the rally than in the past (7/3). The decision to do this was so Region 12 members could see who was in attendance early so they could visit with them. The only drawback was contacting everyone early to buy a ticket. I think Ken and I found everyone by riding our bicycles on a hot afternoon around the huge fairgrounds. Thanks to Past Region President Don Guy for his cool motor home and lots of water to keep this President from heat exhaustion.

We coordinated with Region 11 for a picnic on July 4th. We had a good turnout and it was enjoyable getting to know our neighbors to the east a little better. Region 11 President Dan Neumarkel and his wife Emily have been good friends of ours since 1989. Before moving to Arizona they were members of the Golden West Unit.

Please check out the Blue Beret (August 2011, page 7) -for a list of all the fantastic donations that were made in Du Quoin. The tally for Cents for Kids shows \$13,911.19 but it actually went over \$14,000. I always say our Airstream friends are very tight about wasting money, but have hearts of gold and are very generous when they see a need. I'm so proud of our club every time we go into a community.

I'm really getting excited about our Region 12 Rally in Jackson. We have a very good sign up so far. Bob Stansbury, Rally Chair, and Cecelia have so many activities, food and entertainment planned for us that this will rate as a top notch rally. Be sure to note the very important date of September 12th as the date to have your registration to our registrar, Kathy Hampel. We have reserved the entire RV park of 100 sites but on that date, they will release the sites that we have not booked. If you do not get your registration in before the deadline, it will be on a space available basis.

Special kudos go to Central Coast Unit, Nevada Unit and Northern California Unit who received special recognition in the current Blue Beret (August 2011, page 10) for retaining all the members for the 2011 dues year who joined for the 2010 dues year. Of 124 WBCCI units, 40 units achieved this goal (32%.)

I'm also proud that Region 12 has seven Superior Merit Award winners and one Merit Award winner. These winners will be recognized at the Region Meeting on 10/15.

Hope to see you in Jackson.

Report on WBCCI International Rally

Du Quoin, IL 2011

International Board of Trustees Meeting 6/27/11

Motion #1: Allow the nomination and election of individuals who have previously held a region office from “be limited to one term in each office” with the words “not serve consecutive terms in the same office (except as provided in the Constitution)”. Motion passed.

Motion #2: Add the Tech (computer/electronic) Help Group as a Standing Committee. Motion passed.

Motion #3: Greater Wichita Kansas Unit’s name be changed to the Greater Kansas Unit. Motion passed.

Motion #4: The following motion to be sent to the 2012 Delegates’ meeting for discussion and vote. “Regular members who are Life Members may, upon request, retain their membership as Regular Members if they replace their Airstream manufactured recreational vehicle with a Class A motor home manufactured by a division of Thor Industries, Inc., the parent company of Airstream, Inc.” Motion passed.

Delegates Meeting 6/30/11

International Treasurer Bob Moss reported that, in his estimate, both club operations and this year’s rally will be in the black. A complete financial statement will be made available as soon as all figures are put together.

All nominees for International officers were elected as follows:

President – Barry Heckenswiler

1st Vice President – Don Clark

2nd Vice President – John Boutwell

3rd Vice President – John Stumpf

Recording Secretary – Jo Jugel

Treasurer – June Ryan

Nominating Committee – Kerry Mattilla and William Johnjulio

The motion regarding the Revision of our Constitution was withdrawn so our members will have more time to consider the changes and to make amendments to the revision. President-Elect Heckenswiler said he will place the proposed Constitutional revision on the 2012 Delegates agenda.

A motion was made to change the Constitution to strike out “slate of officers” and insert “list of qualified candidates” for the nomination and election of WBCCI International Officers. This motion passed by an overwhelming majority – aye 4,802 and no 190.

International Board of Trustees Meeting 7/5/11

Motion #1: The motion was made to discontinue the December issue of the Blue Beret and make the January issue the Annual Membership Directory. A 2/3 vote was needed and it failed with Aye 8, No 9 and no abstentions. This created a negative budget of more than \$9,000. The passage of this motion was necessary for approval of a balanced budget. The meeting was recessed briefly so the Budget Chairman Ralph Forrester could make some changes in order to bring a balanced budget back to the IBT. After much discussion and a failure to find any other way to present a balanced budget, Motion #1 was again presented to the IBT. The second vote was – aye 15, no 1, abstain 1 and the motion passed. The Budget for 2011-12 was then approved by the same vote – aye 15, no 1, abstain 1.

Motion #2: Each year a motion is needed to update the bylaws with officer reimbursements. A motion was made to remove all travel expense amounts and replace them with the words “based on the budget approved by the IBT for the fiscal year”. Motion passed.

Motion #3: Recommendation that the International Relations Standing Committee be allowed to invite a selected representative and their spouse from a foreign caravan club to the 2012 WBCCI International Rally in Sedalia, MO. Motion was referred to the Executive committee and approved.

Motion #4: The deadline date for the Blue Beret “centerfold” published in February was moved from 11/15 to 11/1. Motion passed.

Motion #5: That all RV parks that advertise in WBCCI publications be charged the authorized fees. Motion was withdrawn.

Motion #6: This motion changed some of the confusing and contradictory wording of region officer elections. It was a housekeeping motion only and passed unanimously.

Region 12 Officers Seek International Offices

Cecelia Stansbury

Cecelia Stansbury (Santa Clara Unit and Region 12 Secretary) announced her intention to seek the office of International Recording Secretary for the 2012 – 2013 year and Kathy Hampel (Santa Clara Unit and Region 12 Treasurer) announced her intention to seek the office of International Treasurer for the 2012 – 2013 year. We want to show these ladies all the support we can. Unfortunately we lose them as Region 12 officers. If you would like to help out with either of these offices, please contact Judy Bechthold.

Kathy Hampel

IBT Passes a Balanced Budget for FY2012

A balanced budget for the fiscal year ending 2012 was passed by the IBT at the meeting on July 5, 2011. In addition the Board was advised the current year expenses are projected to be under the 2011 budget by more than \$14,000.

To balance the 2012 budget, the Board adopted a change to print the Membership Directory in magazine style in lieu of the December/January issue of the Blue Beret. While this was not a popular choice, it was a necessary step to reduce expenses. The majority of the Board agreed that we can go back to the old Directory publication if this does not work as long as other money is available to keep the budget balanced.

Region 12 members attending the International Rally in Du Quoin were:

Golden West Unit – Ken & Judy Bechthold, Erv & Bert Harding, Richard & Judy Kleiman, Dan & Emily Neumarkel (affiliates)

Northern California Unit – Harold & Sandra Higgins, Judith Ballard, Tom & Hedda Smithson

El Camino Real Unit – Don Guy, Bob & Helen Halasey, Bill & Leslie Westbrook, Tony & Betty Weldon,

Tom and Patti Reed (affiliates)

San Fernando Valley Unit – John Boutwell, Jim & Sally Elmlinger

San Joaquin Unit – David Putnam, Joe ten Berge

Santa Clara Unit – Don & Jan Clark, Kathy Hampel, Bob & Cecelia Stansbury

South Coast Unit – M.N. McFie, Scott & Louise Weddle

Sierra Nevada Unit – Vaughn Peak, Von Gallion

This was a very good showing for Region 12 since the rally was such a far distance from our homes (2,200 miles for us). We had one unit president attending

We need someone to work on our Region 12 logo. The easiest task is to take the current logo and keep it the same but change Region XII to Region 12 and make it a little sharper looking. More of a challenge is to create a totally new logo. A new logo will have to be accepted by the Region 12 Board at next year's meeting. If you are interested, please contact Judy Bechthold at jab-keb@aol.com

Summer is Time for Airstream Travel

Wally Byam Birthday Bash in Baker City, Oregon Lynda & Jim Polk

One of the highlights of our summer was attending the Wally Byam Birthday Bash in Baker City, Oregon in early July. Born in this eastern Oregon town 115 years ago, Wally, creator of Airstreams, is the reason we hit the road in our iconic rigs. 70 Airstreams from around Oregon, California, Washington, Idaho and British Columbia attended the event, hosted by the Oregon unit. Our hosts did an exemplary job of making everyone feel welcome and a part of the festivities at this multi-unit/state celebration.

The four-day event culminated at the Baker City Heritage Museum where an excellent exhibit on the life and travels of Wally, complete with travel memorabilia from several caravans, was on display. Here we gathered to sing Happy Birthday and enjoyed birthday cake&in red, white & blue on Wally s birthday, the Fourth of July.

It is with great sadness we have to announce the passing of Jan Gough of the Long Beach Unit. Gary Gough sent the following letter and I wish to share it with you. Our sympathies go out to the Gough family and friends. Jan will be missed by all.

To all our friends and family,

It is with great sadness I must announce Jan's passing. She has put up an incredible fight in her battle with cancer during these past eleven years and has been victorious until just recently. The medical profession has helped allow her to enjoy her family and friends for these past years and for that I am very grateful. I am also very grateful to have such wonderful and supporting friends and family, as you have all been. She died in my arms just after three this morning and was very much at peace and comfort.

Love to you all,

Gary

This was sent to your Region President on August 20, 2011

Judy Bechthold was installed as Region 12 President on stage during the evening of July 2 with the other even-numbered Region Presidents and International officers."

I have just read in the RVA news letter about a situation in Red Bluff, CA that may be of interest to Region 12 members. The city administrator has agreed that the TOT (Transient Occupancy Tax) applies to RVs in public campgrounds. The park in question is Durango RV resort, and their daily camping rates vary from \$43.00 to \$58.00 per night. Should this tax apply to this park, they will owe about \$42,000 in taxes going back to May 2010. The Red Bluff city council is to vote on an amendment this week that would correct any misunderstanding about the city code. This is the second time I have read about the bed tax being applied to RVs, the first being in Georgia. There is no doubt in my mind that should the tax prevail, it will simply be passed on to the campers.

As governments struggle with diminishing incomes I would expect more of this sort of creative financing to take place. Please let me know if you need more information.

I would have sent this to your legislative chair but could not find a name for this position in your region. (Editor's note: please see ad for a Region 12 Legislative Chair).

MORE BAKER CITY PHOTOS-

As some of you may know Burt Byam from the Golden West Unit is a fourth cousin of Wally Byam and has contributed a lot of Wally Byam memorabilia to the Baker City Museum where Wally was born 115 years ago. Burt and Nellie went to the Baker City Rally hosted by the Oregon Unit and sent the following report and picture, which I have attached below.

We really enjoyed ourselves. For the ones that wanted to participate in the open house, they got to park on the lawn of the city park (free) just across the street from the museum (we did). We were all given a 4-day free pass to the museum which held lots of Wally's memorabilia that Burt had just donated. There were many trailers in the park, but most Airstreamers stayed in local RV parks, but they always came to the park for the activities and where we had free breakfasts and dinners. On the fourth, there was a parade in the next town about 8 miles away which we went to. And the weather was beautiful!
