Rend Lake "Retro" Rally August

17th – 19th

*Hope to see a lot of you at Rend Lake,
especially some of our newer members.*

Remember you don't have to come for the full three days.

*If work interferes, pop over for the weekend or even just a
day. Your Dear Leader will be smoking a brisket on*

Saturday for a Pot Luck dinner that night. Bring your bikes, your fishing poles, your golf clubs, your quilting or counted cross stitching, whatever amuses you. This will be a no schedule, no pressure Rally!

And speaking of newer members Paul and Barbara Muehlher, lifelong St. Louis residents and married 51 years, joined us last year after acquiring their unit from Bill Thomas. They have traveled extensively during the past year and look forward to the Door County Caravan coming up in September. They express their thanks to members of our unit who have been so welcoming, being "overwhelmed by everybody's kindness and hospitality". Paul worked at Unilever for over 30 years. Barbara was

a school nurse and subsequently worked at Washington University Eye Center for over 16 years.

Also joining our unit this year are Joe and Sarah Hauser. Married in 1976 and now with four children and five grandchildren Joe and Sarah enjoy spending time with their friends and family. Joe is an avid hunter and fisherman and an accomplished woodworker while Sarah hobbies include sewing, quilting, and reading. Joe has volunteered for the water committee at International next summer, that being his *métier*.
