How much of the course content was new to you (please circle one):

Almost all

About 75%

About 50%

About 25%

Almost none

What was the most effective aspect(s) of this course? and why?

One-on-one, individualized training

What was the least effective aspect(s) of this course? and why?

Could use more time in order to avoid feeling rushed thru the course.

What could have made this course better?

more attention focused on installing + aligning the ICSI needles and neutralizing the pressure of microinjectors.

Additional comments:

an invaluable experience, highly recommended
