

**Alief Kerr High School
Parent-Teacher-Student Contract**

Student's Name: _____ Date: _____
(please print)

The purpose of this contract is to foster the development of a school-parent relationship to help all students achieve Kerr High School's high academic standards. It is the school's responsibility to instruction in a supportive and effective environment that enables children to meet the State's student performance standards and the goals of Kerr High School (KHS).

Since helping all students achieve academic success and become independent learners is our goal, any student in danger of failing or who fails any course must seek extra help and/or attend after school tutoring sessions until academic status has returned to passing. Failure to comply with the academic expectations or with the behavioral requirements listed in this contract may result in actions by the principal, including meetings with the student and parents to discuss the child's desire and commitment to Kerr High School.

In receiving/signing this contract, you agree to all of the requirements in the contract.
