Protect your Personal Property with Renter's Insurance!

Pause a moment and think about what you might lose in the case of a fire or burst water pipe in your apartment...

Replacing your laptop, CD player, iPod, books, clothing, furniture, and other belongings would be costly and stressful, right?

Accidents DO happen, and each year students without insurance have had to pay out of pocket to replace valuable items, while those with insurance have benefited from their coverage. Most landlords' insurance policies do not cover the personal property of renters in the case of fire, water, or smoke damage, and every year, some SU students caught without renter's insurance have had to manage the cost of replacing lost or damaged property on their own. The SCIS therefore strongly recommends that you consider purchasing personal property insurance, also known as "renter's insurance".

Renter's insurance is often available for a low annual cost (\$50-250, depending on amount of coverage), providing coverage in the case of loss due to damage or even theft. Please note that most policies only cover an individual renter, so if you have roommates, they should buy their own policies. For more information on renter's insurance, please search the web. While the SCIS cannot recommend a particular insurance company, we can provide links to some of the major insurance companies:

[Haylor, Freyer & Coon, Inc.](#)

[State Farm Insurance](#)

[Allstate Insurance](#)

[Wachovia Insurance Services](#)

=====

For your safety, please remember...

- On campus after dark, use DPS' free escort service.** Off campus, use SU Home (it's free); call 443-2224 for more information on these services. Additional options are Centro Bus or taxi service.
- Walk, bike or jog in groups of three or more**—away from bushes, cars and other objects a suspect could hide behind.
- Look and listen.** Headphones and cell phones can create tunnel vision.
- Travel in well-lighted and well-traveled areas.**
- Don't approach strangers** or let them get close to you.
- If you think someone is following you, switch directions or cross the street.** Go toward an open business or lighted house.
- Have your house or car keys in hand** before you reach your door.
- Know where "Blue Light" phones** are and how to use them.
- If someone tries to rob you, don't resist.** Give up your property, not your life.
- Try to get a description of the suspect(s)** and any associated vehicle and tag number.
- IMMEDIATELY report emergencies or suspicious activities, persons and vehicles.** For SU's Department of Public Safety, **dial 711** on campus or #78 (from a cell phone); for the Syracuse Police

Department, **dial 911.**

Your quick report may help prevent others from becoming victims.

Motivational Quotes of the Week:

" I found that when you start thinking and saying what you really want, then your mind automatically shifts and pulls you in that direction. And sometimes it can be that simple, just a little twist in vocabulary that illustrates your attitude and philosophy."
by Jim Rohn

" Whatever the mind of man can conceive and believe, it can achieve. Thoughts are things! And powerful things at that, when mixed with definiteness of purpose, and burning desire, can be translated into riches."
by Napoleon Hill

" The way you think, the way you behave, the way you eat, can influence your life by 30 to 50 years." *by Deepak Chopra*

" As we let our light shine, we unconsciously give other people permission to do the same." *by Marianne Williamson*
