The Holidays are a special time of year at Trinitas Regional Medical Center. As a community, we celebrate Christmas, Chanukah and Kwanzaa. We have holiday sing-a-longs, religious ceremonies, celebrations, and volunteers who visit patients during the holiday season.

While it may have been a trying year for many of us, we also count our blessings. We are especially thankful for the special people at Trinitas and in the community, whose generosity allowed the Pediatric Health Center to expand its hours and services and also helped the Medical Center build a Center of Regional Education to share health information and medical training with community residents.

At Trinitas, we strive to provide the highest standards of health care for our community. Your contributions make a difference! Our Foundation relies on our loyal friends to help us support innovations and improved accommodations for the patients in Trinitas' care.

THANK YOU for helping TRINITAS patients!
