

FROM THE SUPERINTENDENT:

I want to start out by thanking all the parents who have contributed to our students improving our attendance rate! We need to continue this improvement each month. I appreciate our parents realizing the importance of having students attend school regularly. Being in school regularly will result in increased academic learning. Our ultimate goal is for all of our students to reach the proficient areas in each of our academic test scores. It starts by regular attendance. Together we can provide our children with the opportunity to be successful in this competitive society.

Our school motto is: **High Expectations in a Safe Environment**

Parents, community, and school staff working together is the only way we can accomplish our motto and school goals of improving our reading and math scores. Thanks for your support at parent/teacher conferences. The first semester ends on December 21st. It is important to visit with your child about finishing strong and reaching their academic potential.

I encourage you to take time to visit our school and continue supporting our students in their activities. The school website is <http://walthweb.esu1.org/>, please take time to visit our website to check on your student's grades and their school activities.

Our students are really busy with extra-curricular activities during the months of December and January. Please take the time to come to school and watch them perform in basketball, drama, and our music programs. Your support and encouragement is critical for us to be successful in activities. Please remember to make positive comments about the team and not about individuals. It is always a team game!

The month of December and January can bring about some inclement weather. Continue to watch the local news stations for any cancellations, early dismissal or late starts. You can also contact the school if you wish to be on our calling list for weather related news.

I hope everyone has a great holiday season with your children. Please take the time to play with your child. They will provide you with lots of exercise for your personal wellness program! Listen to their thoughts and ideas and be a part of their lives.

Sincerely,
Ed Stansberry

Christmas Program December 8

7pm

Students need to be in their classroom by
6:45

2nd Grade

The school year is going really fast and we've learned a lot so far. In Math, we are working with money. In Reading we are learning about possessive nouns. We like going to the computer lab everyday. We went on our field trip to Valla's Pumpkin Patch in October. Everyone had a great time and couldn't believe how big it was. We set goals for improving our MAP scores and we have been practicing for the Christmas program which is December 8. We hope to see all of our parents at the program.

Project Washkoⁿ

21ST CENTURY COMMUNITY LEARNING CENTER

Project Washkoⁿ is a free after school program offered to Walthill Public School students. Our program begins at 3:40pm and lasts until 5:20pm Monday-Thursday. The classes currently being offered are: tutoring, wellness, sports, cooking, Nintendo Wii, computer class, science class, shawl making, arts and crafts, and library. We will be having our annual Christmas Party on December 20th. Students must have good behavior and attendance both at school and at Project to attend. If your child is not signed up and would like to attend Project, applications are located in the elementary office. We also offer tutoring for your students at 7:10am Monday-Thursday. If you have questions regarding Project or tutoring, please contact Jill Anderson or Jessie Cook.

In the trophy case is a great display of the high school art students' Georgia O'Keeffe inspired flower paintings! Artists are Aaliyah Woodhull, Jalise Randol, Danika Tyndall, Cheyenne Robinson, X'oawinn Parker, and Brook Cayou.

The art room has a new mural on the wall this year, done by 4th hour high school students (Jalise Randol, Danika Tyndall, Cheyenne Robinson, X'oawinn Parker, Brook Cayou). A series of frames were created to showcase artwork through the year, arranged using the principles of design and elements of art, and done in Blujay colors.

We also have a new mural in the pit, created by Mrs. Tyndall's Culture Class and Ceramics students. The Mural consists of a Bright Pink, Neon Green, and Black color scheme for a cool teen hang out feel!

We also worked on the props for the One Act Play--I would like to send out a thanks to the art students who helped with this--from elementary to junior high and high school students.

Walthill Boys Basketball

The basketball season is fast approaching and the boys' basketball team is hard at work in the classroom and at practice. We have twelve boys out for basketball this year and they are putting in their time at the gym. We have an addition to the staff this year. Mark WhiteEyes will be joining me on the bench as the boys' assistant coach. Mark had served as the girls' assistant coach and we are excited to see what he will bring to the team. Our first two games are away games. We play in Santee on Thursday December 1st at 7:00 P.M. and in Winnebago on Friday December 2nd at 8:00 P.M. Our first two home games are against Bancroft on Friday December 9th at 8:00 P.M. and against Freeman Academy on Saturday December 17th at 7:30. I would like to thank all of our supporters in advance for a great season. Hope to see a good crowd at all of our home games this year.

GO BLUJAYS!

Coach Andrew Heller

Walthill Girls Basketball

The time has come for the Lady Jays to take the court once again. The Walthill coaches this year are Head Coaches Kira Swinton and Lucas Munter and Assistant Coach Sam Grant. With 14 girls out this year, we look to have a great season. The classroom and conditioning have been the focal points to start the year off, and it looks as if we are headed in the right direction. The new coaches are very excited with the amount of talent on the squad. The girls have really stepped up and are committed to taking this program in the winning direction. We will start the year off at Santee on Thursday December 1st at 5:00 followed by an away game at Winnebago on Friday the 2nd at 6:15. Our first home game is Friday December 9th vs. Bancroft-Rosalie at 6:15. We look for a PACKED HOUSE and are excited to show you what the Lady Jays Basketball is all about. Hope to see you all there!

GO LADY JAYS!!

Help make great things happen for our school

There are a few different ways that you can
"donate" to our school.

By doing so, your donations will go toward rewards
like physical education equipment, art supplies,
and educational resources that help our students
learn, play and have fun!

My Coke Rewards

Purchase your favorite Coca-Cola products to get codes (they are on hundreds of different packages, including DASANI®, Sprite®, Minute Maid®, PowerAde® and many more.

Go to mycokerewards.com (to register, if you are not already a member)

Enter codes to collect points-choose "Donate to Your School" for the six ways to spend points

Find our school by Zip Code. When our school's page comes up, click enter and the amount of points you'd like to give, then click "donate".

Hy-Vee School Cents

Once again Walthill Public Schools will be participating in Hy-Vee's school cents this year. How this program works, is when you shop at Hy-Vee for groceries, flowers or prescriptions, save your receipts. *This year Hy-Vee is not accepting gas receipts.* Please turn the receipts into the school. For every \$100.00 turned into the school, we will earn one dollar. It is important to know that even if you use food stamps the receipts still can earn the school money. The school does not check to see what you bought with your receipts or how you paid your bill, all we want is the receipt so that we can earn money for our school. If you have any questions at all, please call 846-5432.

Box Tops for Education

Just look for the Box Tops logo on hundreds of products like Cheerios®, Hamburger Helper® and Kleenex®, in almost every aisle of the store. All you need to do is clip and send them to your child's school each one is worth 10¢ for your school
