This service is provided with the understanding that no filter is perfect in blocking all Internet sites that are in conflict with federal law. The provision of this service and an organization's voluntary use of this service are good-faith efforts to meet the requirements of federal laws. MOREnet is not liable to any party for any direct, indirect, special or consequential damages resulting from any use of this service or any outage, planned or unplanned of this service.

Organization agrees to defend and indemnify MOREnet fully against any legal action, loss or damage associated with or arising from organization's use of internet content filtering.

Organization agrees to the MOREnet Internet Content Filtering service terms and conditions. For details see <http://www.more.net/services/internet-content-filtering/>

The billing process will begin automatically upon receipt of this order form. The service will be prorated by the month of entry for orders received after the start of the fiscal year.

By June 1 of each year, organizations will be required to provide an updated count of computing devices so that the correct number of licenses may be purchased. Organizations will then be billed the annual rate for their number of licenses.

No refunds are available with this service.

Signature indicates acceptance for actual costs and MOREnet Service Policies at <http://www.more.net/about/servicepolicies/>, as well as authorization to proceed with processing the order. Only persons authorized to purchase for the organization are eligible to submit this order.

MOREnet-hosted Internet Content Filtering Order Form

Authorization for Category Configuration to Be Performed By MOREnet

Organization: _____

Site: _____

I understand that by default, MOREnet will activate the following content category blocks in Netsweeper that are among those designed to address CIPA-compliance and security practices:

- Adult Image
- Pornography
- Viruses
- Phishing
- Proxy Anonymizer

Further, I understand that upon request MOREnet will implement additional content filtering category blocks*, as per my organization's local policy and preference. (Place an "x" in the box next to each category you would like MOREnet to block for you.) See www.more.net/content/category-authorization-process-morenet-hosted for Netsweeper category definitions.

If at any time my organization should require changes to the MOREnet-hosted Internet Content Filtering service category configuration, I understand that these changes must either be configured locally or must be requested via an e-mail to MOREnet* at help@more.net from our organization's MOREnet Institutional Representative of record. My organization is responsible for determining the categories and individual websites that are allowed or blocked. MOREnet is not responsible for local decisions regarding filtering block or allow configurations.

*The Netsweeper *Alternative Lifestyles* filtering category may only be blocked or unblocked locally by your organization. MOREnet staff will not activate changes to this category on behalf of your organization.

Signature indicates authorization for MOREnet to proceed to activate the MOREnet-hosted Internet Content Filtering service with the default content filtering category blocks and any additional category blocks, as may be specified above.
