

American Chemical Society
Division of Inorganic Chemistry Award for
Undergraduate Research

Deadline: September 15

Directions: Any individual, except a member of the award selection committee for the award, may nominate or support *only* one nominee for each award during any given award year. Please save this Microsoft Word document to your hard drive before completing. Complete all fields.

Submission process: Method of submission is by e-mail attachment of one PDF file to the Chair(s) of the Awards Committee of the Division of Inorganic Chemistry. The file should contain each of the following in this order: (1) this nomination form; (2) nomination letter for the student/preceptor team (page 4 of the form, or a separate attachment); (3) a one-page curriculum vitae or biographical sketch of the undergraduate student; (4) curriculum vitae or biographical sketch of the preceptor—maximum two pages; and (5) for the preceptor, proof of current ACS and DIC membership (copy of membership certificate, receipt, and/or pdf snapshot of “My Account” from the acs.org website showing active divisional membership in the DIC). A single merged PDF file containing the entire nomination package is required.

Has this nomination been discussed with the nominee? Yes No

SUGGESTED CITATION (25 words or less)

In the space below, paste or type a suggested citation. A citation is a hallmark or brief summary of the nominee's accomplishments in reference to the award for which they are nominated.

NOMINATION LETTER

In the space below, paste or type a narrative summary of 500 words or less. A separate attachment may be substituted. Include the following in your narrative:

- discussion of the impact/merit of research performed by the undergraduate nominee explicitly detailing the student's contribution;
- description of the impact that mentoring by the preceptor had on the student and his/her research project.
