

SUDSnet Masterclass

"Sponsored by Interpave in partnership with The Concrete Centre"

This one day Masterclass is being run in association with Interpave and the Concrete Centre. Delegates will be provided with a challenging combination of case studies, worked examples and research outputs. The focus of the course is on current issues associated with implementing SUDS and there will be a particular focus on the issues for roads and streets. The course is intended for those who have to engage in the details of SUDS, and will be of most benefit to those who have experience in drainage for new developments.

The course will be delivered by Professor Chris Jefferies of the University of Abertay.

Date: 24th April 2008

Venue: Jaguar Graduate Centre, Coventry University, Priory Street, Coventry CV1 5FB
