

Community Involvement Fund Sponsorship and Donation Application

Thank you for your interest in partnering with Moneytree. Since the first Moneytree branch opened in Renton, Washington in 1983, we've had a deep commitment to the communities in which we live and work.

The Moneytree Community Involvement Fund (CIF) is a vital component of our giving programs. CIF donations are made to groups whose work supports one of the following causes:

- Children/family welfare
- Medical research
- Financial literacy

If your organization's mission matches one of the CIF causes, we invite you to submit an application for funding consideration.

Moneytree receives numerous applications each year from organizations that support worthy causes, but not all are eligible for funding through the Moneytree Community Involvement Program. Please read the following information carefully before moving forward with the application process. Funding is limited to one time per year, per organization.

ELIGIBLE ORGANIZATIONS

Organizations are encouraged to apply if they meet the following criteria:

- Registered as a charity with 501(c)(3) tax-exempt status
- Provides support to people who live within one of Moneytree's geographical operating regions
- Donation would support one of the three key funding areas listed above

INELIGIBLE ORGANIZATIONS

The CIF does not fund the following types of organizations:

- Organizations that are not tax-exempt under IRS code 501(c)(3)
- Political or religious organizations
- Advertising programs
- Third-party fundraisers
- Scholarships paid directly to individuals
- Sports teams (however, teams with 501(c)(3) status will be considered)

HOW TO APPLY

- Review our Community Involvement Fund Program application and guidelines
- Determine if you are eligible according to these guidelines
- Complete the application by the deadline date

Due to the large number of applications that Moneytree receives, applications that are not complete will not receive funding. We ask that requests are made at least 60 days prior to the date you need the funding. You will receive a written response to your request within 45 days after submitting your application form. Thank you for supporting our community, and we look forward to receiving information about your efforts.
