## Why Choose Community Business Bank?

### Local Market Knowledge

For excellence in small business banking, Community Business Bank is the hometown favorite. We give our undivided attention to small and medium-sized businesses, professionals and non-profit organizations throughout Yolo, Sacramento, Solano, Placer and San Joaquin counties - the same places our business bankers and executive officers call home. As a local community bank, we believe in supporting the communities we serve. We offer non-profit organizations special rates and discounted fees because we believe it is just good business.

### Local Decision Making

As a Community Business Bank client, you'll work directly with a business banker who is not only experienced, but also empowered. Simply put, our bankers don't have to pass the buck to the corner office nor seek out-of-state approvals. From account adjustments to specialized assistance, you'll appreciate our rapid response.

### You'll also appreciate these customer service hallmarks:

- Bankers who understand your specialized needs
- Before, during and after-hour appointments at your place of business or ours
- Advice that goes well beyond basic banking
- Access to our Community Foundation Committee

We invite you to contact us today to arrange a meeting with a Banking Officer who speaks your language.
