

WHAT YOU CAN DO TO HELP....

- 1 Have your pets spayed and neutered. Unwanted litters are a burden on our community – costing *thousands* of dollars each year in Animal Control. Stray pets are a danger to our families, pets and livestock. Spaying or neutering your pet is a permanent, affordable solution- **WE CAN HELP!**
- 2 Call your Local Animal Control Office when you discover a stray pet on your property. The local shelter is a central location where owners can claim their lost pets. Stray pets can be safely housed, preventing unwanted litters and the spread of disease.
- 3 Adopt from a shelter or humane group. Every pet adopted is a life saved. Unfortunately- most animals in shelters will be euthanized; there are always more homeless pets than homes for them.
- 4 Volunteer at a shelter or for a humane group. There are a variety of volunteer jobs for all ages and abilities. **Contact A.P.A.W. today!** The Amelia Shelter now offers several volunteer programs. **Sign-up today 804-561-3878.**
- 5 Make sure all your pets have identification. Collars with tags, tattoos and microchips are all affordable methods of insuring that your pet will be returned to you and not add to the overwhelming number of homeless pets in shelters.

A Paw in hand – together we stand. Stop unwanted litters!

P.O. Box 725

Amelia, Virginia 23002

A.P.A.W. is a non-profit group; your donations are **tax deductible!**

A.P.A.W. was formed in 1995 by a group of concerned citizens that wanted to improve the lives of homeless dogs and cats in Amelia County.

The ultimate goal of A.P.A.W. is to prevent the birth of unwanted litters. So in 1998 A.P.A.W. started a low-cost spay and neuter program that is available to local residents.

A.P.A.W. is proud to have a cooperative relationship with the Amelia County Animal Control Officer and County government. The result of this union is seen in the improved adoption percentage at the Amelia Animal Shelter with more pets being spayed or neutered.

The A.P.A.W. Low-Cost spay and neuter program is

available to Area residents and to individuals adopting from the Amelia Animal Shelter.

Certificate #1

Owner pays: \$25.00 to neuter a male cat, \$35.00 to spay a female cat and \$50.00 to fix a male or female dog.

Certificate #2

Owner pays what they can afford of spay/neuter cost. Grant funds pay the balance. To qualify you must meet low income requirements set forth by Grantor. Please list "household income" on form at right.

Please completely fill out this form and mail it with a **self-addressed stamped envelope** to:

A.P.A.W.
