

Donations

Donations help patients who can't afford needed items and services like equipment and transportation. This helps reduce stress on the patients and families we serve.

If you wish to contribute, please make your cheque payable to a foundation indicated below. Mail to the specific hospital where you received Social Work services.

Please indicate that your donation is for Social Work.

Social Work

*Compassion
Accountability
Respect
Excellence*

Mission

Social Workers assist individuals and families coping with life changes and stress from trauma, illness, or disability.

Our goal is to provide the highest standards of Social Work practice to individuals, families, and communities.

Values

Social Workers build on the strengths and resources of those we work with.

We are dedicated to preserving the values of human dignity, compassion, respect, and self-determination.

View our webpage at
www.cdha.nshealth.ca
under 'Programs & Services'

Social Workers help with:

- **Adjustment or coping** with illness, injury, and disability
- **Death, grief, and loss**
- **Lifestyle changes**
- **Referral** to community agencies
- **Complex discharge needs** (care at home, nursing home, or other long-term care options)
- **Concerns** about hospitalization
- **Practical support and/or financial concerns** (e.g. equipment needs, information about income support programs)
- Other individual or family concerns (e.g. dependency issues, caregiver stress, family conflict)

Social Workers are members of inter-professional healthcare teams in both inpatient programs and ambulatory care clinics.

Social Workers help by:

Counselling

- Providing counselling around coping, managing crisis, adjustment, bereavement, and resources to individuals, couples, families, and/or groups

Advocating

- Supporting patients and families to access needed services and resources

Collaborating

- Working with our healthcare teams and the community to provide the best care and discharge planning

Educating

- Providing education to patients, families, healthcare teams, and community agencies

Social Workers are registered members of both the Canadian Association of Social Workers and the Nova Scotia Association of Social Workers.
