INFORMATION ON THE MEDICAL RECORDS RELEASE FORM:

1. The request for release of medical records must be completed in full by the patient or patient's Parent or duly appointed legal guardian (for pediatric patients only). If incomplete, we will return the request.

2. Request for records that include HIV or Substance Abuse information must be specifically stated.

3. If a record is being sent to anyone other than the patient, there should be identification of the recipient (including address) and a statement of what is the authority of the recipient to receive the records. The authority statement should include relationship and purpose of the request.

4. The patient must pay in advance for copies of the record.

5. The patient must supply name at time of service, birth date, Social Security Number and approximate year seen to assist in locating the record.

6. We accept fax request for all Medical Records.

7. We do not provide information on whether a person is a patient or not without a formal Medical Records Release request or subpoena. All subpoenas are to be received by the Custodian of Records.

8. We *do not expedite* requests.

9. We *do not release* original films.

10. We ask that you be as detailed as possible on your request.

11. If you have any questions or need assistance in completing this form, please contact the Medical Records Liaison at (925) 463-0470 ext. 155.

By signing this Authorization, you acknowledge that this authorization will expire within 30 days from the date of the signature on the authorization. Furthermore, your signature on this Authorization acknowledges that you have read and understand the terms of this Authorization and that you have had the opportunity to ask questions about the disclosure of your health information.
