

MPA Committee Sign-Up Sheet

MPA President-elect Phil Conger will make committee appointments soon. Committees are formed from among MPA membership to review issues that affect the newspaper industry and to help chart the course of association activities and services.

Each committee will meet at least once during the year, if possible. Committee members are expected to attend committee meetings and related functions so they may express opinions, make suggestions and share in making the program or the project a valuable contribution to Missouri's newspapers.

You are the industry; your contributions are needed. Committee recommendations are submitted to the MPA Board of Directors, which takes final action on them. All committees will file written reports to be shared with MPA's general membership.

Please check the following committees on which you would like to serve. Also, check organizations you would consider serving as a board member. Thank you.
