- Enrollment of high school students shall be voluntary on the part of the student taking the class. Enrollment should only be sought if it will enhance the student's progress toward meeting graduation requirements. **Priority enrollment for concurrent students is given to FUSD seniors. Depending on the number of seats available, concurrent students may be limited to 1 class per session.** Comprehensive high school guidance service providers are responsible for checking student progress/grades in these courses and making sure these students are on track for graduation.
- Concurrent students must be attending a full, regular day schedule of classes at their home school during the current semester.
- Discipline problems will not be tolerated. All normal rules of school behavior will apply. Any violation of education code 48900 or 48915, penal code, school/classroom rules, or the attendance policy will result in the student being withdrawn from Adult School classes and may result in further disciplinary action by police and/or their home school.
- **Students may not miss more than 2 periods of instruction or they will be dropped.** 3 tardies=1 absence. Tardies are less than 20 minutes. 20 minutes or more is considered an absence. Registered students may not miss the first day of class following registration or they may be dropped to make room for students on the waiting list.
- There are no enrollment fees for classes taken by concurrent students.
- Parents/guardians are responsible for arranging transportation to and from Adult School. Students must exit campus within 15 minutes following the end of class.
- Students **must bring a valid picture ID to register. They must carry their current home school ID with them at all times** while on our campus. They will be issued an Adult Education sticker which will be placed on the back of their home school ID upon enrollment. Students who fail to carry their validated home school ID may be asked to leave campus which could result in their removal from the program.
