The Friends of NRA program is a 501(c) (3) nationwide charitable organization. One-half of the money raised at this event stays right here in Arizona and is used for youth safety classes, hunter education, the award winning Eddie Eagle gun safety program, wildlife conservation, shooting range improvements and marksmanship training, to name a few. Not one penny of this money can be used for any political cause and/or purpose!! To date, grants exceeding 3 Million have returned to Arizona to support the above stated purposes and your continued participation and generosity will help raise needed funds for your shooting future.
