

## Quakertown High School Alumni Association Fund Drive

The QHS Alumni Association has taken on some significant projects and needs help from all alumni. We give 2 - \$1,000 scholarships to graduating seniors every year. In addition, we would like to be able to support current projects and programs for students in the schools. These things come at a cost. We would really appreciate your help in making this happen. Please feel free to forward this email to other Quakertown graduates through email and Facebook. Presently, you can find information about the Alumni on the School District's Web Site at [www.qcsd.org](http://www.qcsd.org). We also have a Facebook page at Quakertown High School Alumni Association.
