NOMINATION AND SELECTION PROCEDURE

Nominations for the PPAI H. Ted Olson Humanitarian Award shall be submitted by association members, PPAI's Board of Directors, PPAI council, committee and action group members and association staff. Nominations will be screened by association staff to confirm the eligibility of candidates. All nomination forms will be verified by the nominee for accuracy.

Eligible, verified nominations will be forwarded to a nominating committee who will select a proposed award recipient to be presented to the PPAI Executive Committee for final approval. Each nominee will be evaluated on the basis of his/her significant (not exclusively monetary), long-term and dedicated support to a variety of organizations. The nominating committee may decide not to forward a nomination if a suitable nomination is not received; it is possible that there may be some years when no recipient is named.

Nominating Committee:

The Nominating Committee consists of four independent judges to include a past PPAI Distinguished Service Award Recipient, past or present board member of PPEF Board, a board member from a non-profit or charitable organization and a member from a civic organization. A PPAI Board Liaison will be named and will vote in the event of a tie. Only one recipient will be named per year. Nominations may be carried over for 1 year on recommendation of the Nominating Committee. Committee members will rotate as requested but will serve a minimum of two years.

Recognition:

A personalized award will be presented to the recipient along with a \$500 donation to be made in the recipient's name to the non-profit organization of his/her choice. This presentation will be made at a suitable industry event. Additionally, the recipient and his/her designated charity will be featured in a PPAI publication.

This form is only to be used to help gather details and information about the person you'd like to nominate. All entries must be submitted online at awards.ppai.org.
