### Math news

Second Grade:

- We will continue working on making a ten to solve addition problems.
- We will work on adding 10 to a number.

Third Grade:

- We will continue to work on multiplication and division and understanding their relationship.
- We will work on skip counting by 2s & 10s

### Reading news

Literature:

- Students will compare and contrast two versions of the same story by different authors.
- Students will describe how the beginning introduces the story and ending concludes the action.

Informational:

- Students will identify the main purpose of a text.
- Compare and contrast the most important points presented in two texts on the same topic.
- Students will distinguish their point of view from that of the author.
