Program Information

Program Outcomes: The Fine Arts Option provides students a strong foundation in the visual arts through hands-on practice within art historical and conceptual frameworks. Upon successful completion of the Option, graduates are able to: use multiple studio art methods, tools, and media to create works of art; demonstrate an historical understanding of selected artists, aesthetic movements, and cultural influences; appreciate, evaluate, and critique works of art, including the work of peers; communicate effectively; creatively problem-solve; work collaboratively and in diverse contexts; understand the complexity of human cultures; plan and organize small to large projects; lead and manage workgroups; and exhibit computer and technical literacy.

Transfer Opportunities: Students transfer successfully to the Connecticut State Universities and are able to utilize transfer equivalencies and advising resources. The transfer counselor can always be consulted when transferring. Past students have transferred to Central Connecticut State University, Elms College, Springfield College and University of Hartford.

Employment Information: In addition to the benefit skills like creativity and problem solving bring to any career field, an education in the fine arts prepares students for jobs in art museums and galleries, graphic design firms, media organizations, education, advertising and as freelance or self-employed artists. Some potential career possibilities include: Art Critic/Writer, Art Teacher, Curator, Designer, Exhibit Preparator, Gallery/Museum Attendant, Illustrator, Painter, Photographer, Potter, Printmaker, or Sculptor.

Graduation Information: A cumulative 2.0 GPA is required to graduate. All courses for degree credit must be numbered 100 or above. Students must complete and submit a Graduation Application to the Registrar's Office in order to graduate. *Graduation Application deadlines:* December graduation - December 1st, May graduation - March 31st, August graduation - August 1st.
