Participants for Earth Camp will be selected based on demonstrated interest in science, willingness to learn and ability to work in teams with other students. Committee members will consider parent form, student form and teacher recommendation forms in making their selection.

- Please answer the following two questions on the back side of this paper:
 - 1. Describe your child's interest in science and the environment.
 - 2. Describe how the Earth Camp program will benefit from your child's attendance.
- High School Earth Camp will include a 5-day white water rafting trip and many of our activities (hiking, camping, boating, running scientific experiments) are conducted during the heat of the day.
Is your child prepared for this type of strenuous physical activity?
☐ Yes ☐ Maybe ☐ No
- Does your child swim?
☐ My child is a strong swimmer ☐ My child can swim ☐ No, my child is a non-swimmer

Please note: Due to the remote wilderness conditions and inaccessibility of medical facilities, Earth Camp cannot accept students with chronic medical conditions. These conditions include, but are not limited to, asthma, seizure disorders, diabetes, or a history of anaphylactic reactions to food or insect bites.

- How did you hear about Earth Camp? _____
