You may also pay via cash, personal check, traveler's check, or money order. Please make all checks payable to EFF.

If sending donations from outside the United States that are not by credit card, please note that an international money order or a check payable on a United States bank would be appreciated, to avoid collection costs. Sending a foreign check (or an other kind of draft drawn on a bank outside the United States) may involve processing fees in excess of \$50. International postal money orders payable in the United States are available in many countries and will ensure that your complete donation goes to EFF.
