

BOOKING for Conference: Windows On An Industrial Past

15/16 June 2013 at Maryhill Burgh Halls, 24 Gairbraid Avenue, Maryhill, Glasgow G20

This two-day conference looks at the West of Scotland's astonishing legacy of industry, seen through the unique focus of the Maryhill Burgh Hall's collection of stained glass depictions of working people and their techniques, machinery and tools.

Refreshments and a light lunch are included on both days.

Sunday participants will be allocated a place on either the "Forth and Clyde Canal Boat Trip to Speirs Wharf" or the "Maryhill Heritage Guided Walk". Places are limited so please indicate your preference.

Organised by Friends of Glasgow West in association with Maryhill Burgh Halls Trust

To check availability: www.fgw.org.uk or annlaird@hyndl.demon.co.uk
