## Your guide to Anthem Blue Cross Blue Shield benefits

Welcome! We're so glad you're taking time to check out all that Anthem Blue Cross Blue Shield (Anthem) has to offer you. Choosing your health care plan (and the benefits that go with it) is an important decision and this booklet is designed to help. Basically, it's a snapshot of the benefits that come with our Anthem plan. It shows what's available to you, what you get with each benefit and how the plan works.

### Explore the advantages of being an Anthem member.

This booklet goes into all the advantages. But here are the top four:

- 1. You're covered even when travel away from home.** You have access to the BlueCard<sup>®</sup> program and the BlueCard Worldwide<sup>®</sup> program so you'll be able to find an in-network doctor or hospital across the country or around the world if you need care. Wherever you travel, you can have peace of mind knowing you're covered.
- 2. You get more than just basic coverage.** You get access to tools, resources and guidance that are personalized just for you. Plus there are programs to help you get and stay healthy, some are even online. They'll help you reach your personal goals to be as healthy as possible.
- 3. There's so much you can do on our website – after all, it was created just for you.** If you have questions, you'll find the answers you're looking for. You can:
  - Order and print out a new member identification (ID) card if you lose yours
  - Check the status of a claim
  - Find out how much a service costs
  - Search for a doctor, specialty, hospital or other health care professional
  - Learn about hundreds of health and wellness topics
  - And much more
- 4. Finding an in-network doctor, specialist, hospital or a list of your medicines is a snap.** Just go to our website and search the Online Provider Directory. Or call the Customer Service number on your member ID card. A customer service representative can give you information by phone, e-mail, fax or mail.

**Once you get your member ID card, all it takes is three simple steps to discover the world of anthem.com.**

- Go to [anthem.com](http://anthem.com)
- Click on Register
- Create your user name and password

Then you're ready to go!

# Anthem KeyCare PPO Plan

The big buzz these days is that you have the power to take charge of your health. We would agree that's a good idea. That's why we build our health plans with options, resources and overall support to help you make decisions. This is a quick overview of how your plan works.

**One**, you have options. Anthem KeyCare is a PPO plan, which means you're free to choose your doctor without referrals. Of course, in-network care will usually cost less than out-of-network care. For many of our KeyCare plans, you'll also pay less when visiting a PCP instead of a specialist. The network includes most doctors and hospitals across the nation, so you'll find plenty of choices. The point is, the choice is yours.

**Two**, as an Anthem member, you have access to a lot of online tools. Helping you make your decisions is important to us, but not nearly as important as helping you make the right decisions — for you, your health and your budget.

**With no primary doctor requirement and no referrals, you're free to make your own decisions about your health care.**

## Anthem KeyCare PPO at a glance

- *Primary care physicians (PCPs):* Not required  
You can make your own decisions about your doctors, your care and your costs.
- *Referrals:* Not needed You pick who you want to see. Makes getting second opinions very easy.
- *Claim forms:* No claim forms to submit when using network providers.
- *Out-of-network benefits:* Available, but at lower coverage levels than in-network.  
We've negotiated special rates with our network doctors and hospitals on behalf of our members. By staying in-network, you can take advantage of these rates and receive higher levels of coverage.
- *Out-of-pocket:* This is the amount you'll pay, whether it is a straight copayment or some percentage of coinsurance for the cost of covered services.

## You can see what services cost before your visit

Through [anthem.com](http://anthem.com), you can estimate the costs for inpatient and outpatient services and doctor visits. What better way to help you determine what to do?

## Anthem KeyCare PPO Plan (continued)

### You're covered whenever you travel

If you're traveling in the U.S. or out of the country, your coverage travels with you. If you need emergency, urgent or approved follow-up care, you have three options. Go to [anthem.com](http://anthem.com), call BlueCard® PPO Access at 800-810-2583 or call the customer service number on your member ID card.

### You're getting more than a health plan

You get programs to actually help you manage your health. Wellness tools, 360° Health® health management programs, and SpecialOffers@Anthem are all available through [anthem.com](http://anthem.com). The programs are explained in detail later in this booklet.

This is a brief overview of your plan's features. Your benefits summary contains the details. Thank you for considering Anthem Blue Cross and Blue Shield.

### How to find a network doctor

Anthem networks are some of the largest in the U.S. Simply go online and search our provider directory for the type of care you need.

1. Go to [anthem.com](http://anthem.com).
2. Select "Find a Doctor."
3. Enter your city and state or ZIP and click on Search.
4. To see only a list of network providers, scroll down to "Insurance Options" and select "Add/Edit Selections."
5. Enter your state, select PPO plan, then "Anthem KeyCare" and click on "Search."

<b>Out-of-Network Services</b>	
<b>Using Doctors, Hospitals and Other Health Care Professionals not Contracted to Provide Benefits</b>	
<p>It's important to remember that health care professionals not in our network can charge whatever they want for their services. If what they charge is more than the fee our network health care professionals have agreed to accept for the same service, they may bill you for the difference between the two amounts. You will pay all the costs associated with the covered services outlined in this insert until you have paid \$400 in one calendar year. This is called your out-of-network deductible.</p> <ul style="list-style-type: none"> <li>○ If two people are covered under your plan, each of you will pay the first \$400 of the cost of your care (\$800 total).</li> <li>○ If three or more people are covered under your plan, together you will pay the first \$800 of the cost of your care. However, the most one family member will pay is \$400.</li> </ul> <p>Once you have reached this amount, when you receive covered services we will pay 70% of the fee our network health care professionals have agreed to accept for the same service. You will pay the rest, including any difference between the fee our network health care professionals have agreed to accept for the same service and the amount the health care professional not in our network charges. If you go to an eye care professional not in our network for your routine eye examination, we will pay \$30 (whether or not you have reached the \$400 out-of-network deductible) and you will pay the rest of what the professional charges.</p>	
<b>Out-of-Pocket Maximums</b>	
<b>What You Will Pay for Covered Services in One Calendar Year (January 1 - December 31)</b>	
<p><b>When using network professionals</b>  If you are the only one covered by your plan, you will pay \$2,000 for covered services outlined in this insert. This summary of benefits has been updated to comply with federal and state requirements, including applicable provisions of the recently enacted federal health care reform laws. As we receive additional guidance and clarification on the new health care reform laws from the U.S. Department of Health and Human Services, Department of Labor and Internal Revenue Service, we may be required to make additional changes to this summary of benefits.

Anthem Blue Cross and Blue Shield believes this plan is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that this plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections of the Affordable Care Act apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to Anthem Blue Cross and Blue Shield at the telephone number printed on the back of your member identification card, or contact your group benefits administrator if you do not have an identification card. For ERISA plans, you may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform). This Web site has a table summarizing which protections do and do not apply to grandfathered health plans. For nonfederal governmental plans, you may also contact the U.S. Department of Health and Human Services at [www.healthcare.gov](http://www.healthcare.gov).

Discounted member cost up to \$39

**OUT-OF-NETWORK**

\$30 allowance

Discount not available

**USING YOUR BLUE VIEW VISION PLAN**

The Blue View Vision network is for routine eye care only. If you need medical treatment for your eyes, visit a participating eye care physician from your medical network.

**ADDITIONAL SAVINGS ON EYEWEAR AND MORE**

As a Blue View Vision member, you can take advantage of valuable discounts through our Additional Savings program. Just visit a participating Blue View Vision eye care professional or vision center and enjoy 35% off the retail price\* of eye glass frames and 15% off the retail price of conventional (non-disposable) contact lenses. You can also save 20% off the retail price of non-prescription sunglasses and eye care accessories. Plus you’ll get special member savings\* on standard eyeglass lenses, lens treatment options and upgrades. Restrictions may apply and discounts are subject to change without notice.

\*Discounts do not apply in the event the manufacturer has imposed a no discount policy on the frame. Discount on frames and special member pricing apply when complete pairs of eyeglasses are purchased together. If purchased separately, members receive a 20% discount off the retail price.

**OUT-OF-NETWORK**

Did we mention we’re flexible? You can choose to receive care outside of the Blue View Vision network. You simply get an allowance toward your eye exam and you pay the rest. In-network benefits and discounts will not apply. When visiting an out-of-network provider, you are responsible for payment of services at the time of service. If you choose an out-of-network provider, please complete the out-of-network claim form and submit it along with your itemized receipt via any of the following methods:

**Mail: Blue View Vision, Attn: OON Claims, P.O. Box 8504, Mason, OH 45040-7111**

**EXCLUSIONS & LIMITATIONS**

This is a primary vision care benefit and is intended to cover only eye examinations. Benefits are payable only for expenses incurred while the group and insured person’s coverage is in force.

**Combined Offers.** Not combined with any offer, coupon, or in-store advertisement.

**Experimental or Investigative.** Any experimental or investigative services.

**Uninsured.** Services received before insured person’s effective date or after coverage ends.

**Excess Amounts.** Any amounts in excess of covered vision expense.

**Eyewear.** Any type of eyewear and related materials including eyeglass lenses, frames, or contact lenses.

**Routine Exams or Tests.** Routine examinations required by an employer in connection with insured person’s employment.

**Work-Related.** Work-related conditions if benefits are recovered or can be recovered, either by adjudication, settlement or otherwise, under any workers’ compensation, employer’s liability law or occupational disease law, even if insured person does not claim those benefits.

**Government Treatment.** Any services actually given to the insured person by a local, state or federal government agency, except when payment under this plan is expressly required by federal or state law. We will not cover payment for these services if insured person is not required to pay for them or they are given to the insured person for free.

**Services of Relatives.** Professional services or supplies received from a person who lives in insured person’s home or who is related to insured person by blood or marriage.

**Voluntary Payment.** Services for which insured person is not legally obligated to pay. Services for which insured person is not charged. Services for which no charge is made in the absence of insurance coverage.

**Not Specifically Listed.** Services not specifically listed in this plan as covered services.

**Private Contracts.** Services or supplies provided pursuant to a private contract between the insured person and a provider, for which reimbursement under the Medicare program is prohibited, as specified in Section 1802 (42 U.S.C. 1395a) of Title XVIII of the Social Security Act.

**Eye Surgery.** Any medical or surgical treatment of the eyes and any diagnostic testing. Any eye surgery solely or primarily for the purpose of correcting refractive defects of the eye such as nearsightedness (myopia) and/or astigmatism. Contact lenses and eyeglasses required as a result of this surgery.

**Hospital Care.** Inpatient or outpatient hospital vision care.

**Orthoptics.** Orthoptics or vision training and any associated supplemental testing.

**Crime or Nuclear Energy.** Conditions that result from: (1) insured person’s commission of or attempt to commit a felony; or (2) any release of nuclear energy, whether or not the result of war, when government funds are available.

This information is intended to be a brief outline of coverage. All terms and conditions of coverage, including benefits and exclusions, are contained in the member’s Policy, which shall control in the event of a conflict with this overview. This benefit overview insert is only one piece of your entire enrollment package.

# Your prescription drug plan

<b>Your Prescription Drug 10-30-50 or 20% Plan</b>	<b>Tier 1 Copay</b>	<b>Tier 2 Copay</b>	<b>Tier 3 Copay</b>
Up to a 30-day medication supply at participating retail pharmacies	\$10	\$30	The greater of \$50 or 20% coinsurance with a \$200 prescription maximum
Up to a 90-day medication supply delivered to your home	\$10	\$60	The greater of \$150 or 20% coinsurance with a \$400 prescription maximum

Under your plan, for third-tier drugs you'll pay the greater of the third-tier copayment or 20 percent coinsurance with a \$200 or \$400 per-prescription maximum. There will also be a \$3,500 per member per benefit year out-of-pocket maximum included with this benefit.

## Retail pharmacy network

Our network includes more than 64,000 pharmacies across the country. That means you have easy access to your prescriptions wherever you are – at work, home or even on vacation. Using pharmacies in the network will help you get the most from your drug plan. When picking up your prescription at the pharmacy, be sure to show your plan ID card.

To make sure your pharmacy's in our network, visit [anthem.com](http://anthem.com).

- Log in and click on "Refill a Prescription." You will be directed to the Express Scripts website.
- Click on "My Prescription Plan" in the left hand column.
- Click on "Find a Pharmacy."

Choosing a non-network pharmacy means you'll pay the full cost of your drug. Then, you may submit a claim form to be repaid. To access the form, visit [anthem.com](http://anthem.com).

- Log in and select the "Refill a Prescription" link. You will be directed to the Express Scripts website.
- Click on "My Prescription Plan" in the left-hand column, then click on "Coverage & Copayments." The claim form is on this page.

## Note about your pharmacy information on the web:

Express Scripts is the company that manages the operations of your drug plan. The first time you're directed to the Express Scripts website, you'll go through a brief registration. The purpose is to set your preferences for communication and privacy. You'll do this only once.

To access your pharmacy information, log on to [anthem.com](http://anthem.com).

## Home Delivery Pharmacy

Home delivery is for people who take medications on an ongoing basis. Our preferred Home Delivery Pharmacy, managed by Express Scripts, sends you the medicine you need, right to your door. As a home delivery customer, you'll also enjoy:

- Free standard shipping
- Access to pharmacists for drug questions
- Safe, accurate prescriptions

# Your prescription drug plan (continued)

## Getting started with home delivery

Switching is simple. You can order by phone, mail or fax.

**By phone:** Call **866-281-4279**, Monday through Friday, 8:30 a.m. to 8 p.m., Eastern time. You'll find out how much your prescription will cost and how much you can save. Have this information handy: *your* prescription, doctor's name, phone number, drug names and strengths and credit card information (including cardholder name, account number and expiration date).

**By mail:** Visit **anthem.com** to get an order form.

- Log in and select "Refill a Prescription." You will be directed to the Express Scripts website.
- Click on "Fill a New Prescription."
- Choose the "Print a Prescription Order Form" link. You can print the form and complete it by hand. Or you can fill out a web-based form and print it.
- Mail your completed form, prescription from your doctor, and payments to:

Home Delivery Pharmacy  
PO Box 66785  
St. Louis MO 63166-6785

**By fax:** Have your doctor fax your prescription information to **800-600-8105**. It must be faxed directly from your doctor's office. If there is a question about your prescription, the pharmacy will contact your doctor.

## Ordering refills

With home delivery, you don't have to worry about running out of medication. That's because the pharmacy will let you know when it's time to order refills. You can easily order by phone, mail or online:

**By phone:** Have your prescription label and credit card ready. Call **866-281-4279** and select "Automated Refill Order Line" option from the menu. Or press zero at any time to speak with a patient care advocate. If you are speech or hearing impaired, call **800-899-2114**. Follow the prompts to place your order.

**By mail:** Fill out an order form you received with a previous order. Affix your label or write the prescription refill number in the space provided. Mail the order form with the proper payment to:

Home Delivery Pharmacy  
PO Box 66785  
St. Louis MO 63166-6785

**Online:** Visit **anthem.com**.

- Log in and select "Refill a Prescription". You will be directed to the Express Scripts website.
- Choose the drugs you want to refill, and click "Add Refills to Cart."
- Review the order, shipping method, payment, medical information and contact information, and make changes if needed.
- Click "Place My Order."

## Specialty Pharmacy

CuraScript, the Express Scripts specialty pharmacy, provides support and medicine for people with complex, long-term conditions. They include (but are not limited to):

- Asthma

Nurses, pharmacists and patient care advocates work together to help improve your care. Their goal is to help you get the best results from your treatments.

## Ordering specialty drugs

You can place your first order by phone or fax:

**By phone:** Call **800-870-6419**, Monday through Friday, 8 a.m. to 10 p.m., Eastern time. A patient care advocate will help you get started.

**By fax:** Ask your doctor to fax your prescription and a copy of your ID card to **800-824-2642**.

## Ordering refills

**Online:** Visit **anthem.com**.

- Log in and select "Refill a Prescription." You will be directed to the Express Scripts website.
- Choose the drugs you want to refill, and click "Add refills to Cart."
- Review the order, shipping method, payment, medical information and contact information and make changes if needed.
- Click "Place My Order."

Note: For some drugs, you must call to order a refill.

## Drug list

Our drug list (sometimes called a formulary) is a list of prescription drugs covered by your plan. It's made up of hundreds of brand and generic drugs.

We research drugs and select ones that are safe, work well and offer the best value. That's because we think it's important to cover drugs that help people stay healthy so they can work, go to school, and continue the activities of a busy life.

Sometimes we update the Drug List if new drugs come to market, or if new research becomes available. To view the current list, visit **anthem.com**. Click on "Customer Care" in the top-right corner. Select your state, then click "Download Forms." You'll find the Drug List on this page.

If you don't have access to a computer, you can check the status of a drug by calling Customer Service at the phone number on your plan ID card.

## Generic drugs

Your plan covers brand and generic (or non-brand) drugs. When you choose a generic, you'll get the same effect as a brand drug – but usually at a lower cost.

Brand and generic drugs have the same active ingredient, strength and dose. And generics must meet the same high standards for safety, quality and purity.

# Your prescription drug plan (continued)

Prescription drugs will always be dispensed as ordered by your physician. If you or your doctor requests a brand name drug when a generic is available, you will pay your usual copayment for the generic drug plus the difference in the allowable charge between the generic and brand name drug.

## Why generics cost less

Developing a new drug is expensive. When a company creates a new drug, it gets a patent for up to 20 years. That means only the company that created it can sell it during that time. Once the patent expires, other companies can make copies of the same drug. These companies avoid the high costs of developing the drug – and that helps lower the price for you.

Talk to your doctor to see if a generic is right for you. Don't switch or stop taking any drugs until you talk to your doctor.

## Prior authorization

Most prescriptions are filled right away when you take them to the pharmacy. But, some drugs need our review and approval before they're covered. This process is called prior authorization. It focuses on drugs that may have:

- Risk of serious side effects
- High potential for incorrect use or abuse
- Better options that may cost you less
- Rules for use with very specific conditions

If your drug needs approval, your pharmacist will let you know. To check in advance, call the Customer Service phone number on your ID plan card.

The Drug List also includes this information. To view it, visit [anthem.com](http://anthem.com). click on "Customer Care" in the top-right corner. Select your state, then click on "Download Forms." You'll find the Drug List on this page.

*Anthem Blue Cross and its HMO affiliate, HealthKeepers, Inc., receives financial credits from drug manufacturers based on total volume of the claims processed for their product utilized by Anthem Blue Cross and Blue Shield and Anthem HealthKeepers members. These credits are retained by Anthem Blue Cross and Blue Shield and HealthKeepers, Inc. as a part of its fee for administering the program for self-funded groups and used to help stabilize rates for fully-insured groups. Reimbursements to pharmacies are not affected by these credits.*

This summary of benefits has been updated to comply with federal and state requirements, including applicable provisions of the recently enacted federal health care reform laws. As we receive additional guidance and clarification on the new health care reform laws from the U.S. Department of Health and Human Services, Department of Labor and Internal Revenue Service, we may be required to make additional changes to this summary of benefits.

Anthem Blue Cross and its HMO affiliate, HealthKeepers, Inc. believes this plan is a "grandfathered health plan" under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that this plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections of the Affordable Care Act apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to Anthem Blue Cross and its HMO affiliate, HealthKeepers, Inc. at the telephone number printed on the back of your member identification card, or contact your group benefits administrator if you do not have an identification card. ## QUESTIONS & ANSWERS

### **Q. What is a Drug List?**

**A.** The Anthem Drug List, also called a formulary is a list of U.S. Food and Drug Administration (FDA)-approved brand-name and generic drugs that have been reviewed and recommended for their quality and how well they work. The review is done by the National Pharmacy and Therapeutics (P&T) Process. The P&T Process is performed by an independent group of practicing doctors and pharmacists in charge of the research and decisions surrounding our drug list. This group meets regularly to review new and existing drugs and they choose the top drugs for our list—based on their safety, how they work and their value.

Because the drugs on our list are reviewed from time to time, it's a good idea to check the list to find out if any drugs have been added or removed. You can do this by going to [anthem.com](http://anthem.com).

### **Q. What is a brand-name drug?**

**A.** These are drugs that are developed by a company who holds the rights to sell them. When the rights expire, other drug companies can make their own version of the drugs (see generic drugs below). You may be more familiar with brand-name drugs through advertising or because you know people who take them.

### **Q. What is a generic drug?**

**A.** Generics are simply copies of brand-name drugs. Brand-name and generic drugs have the same active ingredients, strength and dose. And the FDA requires that generic drugs meet the same high standards for purity, quality, safety and strength. **With generics, you get the same quality for less money.**

### **Q. What if my doctor or I choose a brand-name drug when a generic version is available?**

**A.** In most cases, you would be responsible for the copay that's listed on the tier the drug is on. This copay may include an added charge for the cost difference between the brand-name medication and the generic version.

### **Q. What are "clinically equivalent" medications? How does this affect my drug coverage?**

**A.** When drugs are compared in studies, some drugs have been found to be just as effective as others. These drugs are called "clinically equivalent" so it means they work just as well. Part of the P&T Process is to review the most current studies to see if multiple drugs used to treat a disease or a condition have the same effect on a patient. When this is the case, the Process review team may suggest that we cover only the lower cost drug (so we can help keep the overall cost of care as low as possible). This means your specific drug plan may not cover some drugs (indicated by a ^ symbol next to the drug name) that have clinically equivalent options.

### **Q. What if my medication is not on the drug list?**

**A.** You may want to first check with your doctor about prescribing a drug that is on the drug list. If your doctor prescribes a drug that's not on the drug list, you will need to pay the copayment that applies to drugs that are not on the list.

Please contact the member services number on your ID card if you have questions.

### **Drug list effective as of April 1, 2012**

Please use this quick reference list when you receive a prescription. To get the most from your prescription drug benefits, ask your doctor to prescribe a medication on the drug list. Remember, if a drug from the drug list is prescribed, your out-of-pocket expense could be less than if a medication not included on the drug list (Tier 3) is prescribed for you. Below is a partial listing of the Anthem drug list which is subject to periodic review.

Please ask your physician or call toll free 877-468-5279 to hear a recorded list of the most current drug list additions and deletions. TDD/TTY users, please call 800-221-6915. Or, view the drug list on our web site, [anthem.com](http://anthem.com).

Please note that if a drug request is approved, it does not guarantee coverage. Some drugs, such as those used for cosmetic purposes, may be excluded from your benefits. Please refer to your insurance Certificate or Evidence of Coverage to know for sure.

<sup>^</sup> This product has clinically equivalent alternatives included on the formulary and, as a consequence, such product may not be covered under your pharmacy benefit. Please consult your online pharmacy account through your health plan web site, [www.anthem.com](http://www.anthem.com), for details on coverage.

<sup>†</sup> A generic equivalent of this drug recently became available or will be available soon. After the generic drug becomes available and notification requirements are met, this brand-name drug will become non-formulary/Tier 3 or may no longer be covered by your prescription drug plan. **PA** PRIOR AUTHORIZATION REQUIRED – Prior authorization is the process of obtaining approval of benefits before certain prescriptions may be filled.

**QL** QUANTITY LIMITS – Certain prescription drugs have specific quantity limits per prescription or per month.

**ST** STEP THERAPY REQUIRED – You may need to use one medication before benefits for the use of another medication can be authorized. Please note: Foradil and Serevent are safety edits that prevent duplication of therapy.

**DO** DOSE OPTIMIZATION REQUIRED – Normally involves the conversion from twice-daily dosing to a once-daily dosing schedule.

Not all medications and not all plans are subject to prior authorization and quantity limits. For more information regarding prior authorization or quantity limits, contact Member Services at the telephone number listed on your identification card.

**For Kentucky residents only:** In selecting medications for the drug list, the therapeutic efficacy and cost effectiveness are addressed for each category. All therapeutic categories are represented on the drug list by at least one medication. When a closed drug list is in effect, only medications that are included on the drug list are a covered service. In certain clinical situations, a member may require use of a medication not included on the drug list (Tier 3). Anthem has criteria that permits a member to obtain a Tier 3 medication on a closed drug list plan. If specific criteria is met, the member can receive a Tier 3 drug for a drug list copy. The criteria preserves the clinical integrity of the drug list and provides a process by which deviations from the drug list may be allowed. There is a process to request a medication be added to the drug list for any medications that do not meet the criteria.

## Coverage While Traveling

Whether you're traveling on business, away for fun or have been stationed in another state, your coverage travels with you. The BlueCard® program makes sure of that by uniting Anthem's network with those of other Blue Cross and Blue Shield companies across the U.S. You'll have access to medical care most anywhere you're staying.

### **It's as easy as accessing your local network.**

Getting medical care away from home is as convenient as accessing the local network – with just one added step.

1. Find a provider from the BlueCard listing. Like when at home, you can search online at [anthem.com](http://anthem.com) or call the member services number on the back of your member ID card. You can also call BlueCard Access at 800-810-BLUE (2583).
2. (This is the additional step.) Call Anthem member services to verify your coverage.
3. Show your ID card at the time of service.

**One additional step. No additional costs or hassles.** You pay the same with any Blue Cross and Blue Shield provider as you would an Anthem network provider. Plus the provider will file your claims for you. Anthem will still mail your explanation of benefits so you can double check how the service was covered.

As always, if you need emergency care, you should go to the nearest hospital without contacting Anthem first. Just give us a call within 24 hours or as soon as reasonably possible.

Enjoy your travels. We're happy to go with you.

# Ins and Outs of Coverage

## Tips for understanding your coverage

Knowing the “rules of the road” for the plan you have selected can make all the difference in getting the most value from your KeyCare coverage. Here are a few tips to keep in mind when seeking services.

### Services that require advance reviews

While you can see any doctor or go to any hospital you like, there may be instances in which a test or procedure your doctor wants you to have may not be covered. To help you minimize unanticipated costs from a non-covered service, we work with our in-network providers to make sure that certain services go through an advance review process first. This way, you'll know upfront whether the service is going to be covered.

### An explanation on how we define emergencies

An emergency is the sudden onset of a medical condition with such severe symptoms that a person with an average knowledge of health and medicine would seek medical care immediately because there may be:

- serious risk to mental or physical health
- danger or significant impairment of body function
- significant harm to organs in the body (heart, brain, kidneys, liver, lungs, etc.)
- danger to the health of the baby in a pregnant woman

### USING IN-NETWORK PROVIDERS EQUALS SAVINGS

**You need a checkup. Dr. Smith is an in-network doctor and he's agreed to a fee of \$200 for the service. Because he's in-network, you will simply pay whatever amount you would owe under your specific benefits plan, whether it's a specific dollar amount or a percentage of what the doctor charged, like 20% of the \$200. Instead you visit Dr. Jones, and he's not in our network. Dr. Jones charges \$350 for a checkup. Now you will pay not only the set fee or percentage amount required under your particular benefits plan. You may also pay an additional \$150 – the difference in cost between what the in-network doctor agreed to accept as a set fee compared to what the out-of-network provider charged. Same service – totally different amount that comes out of your wallet. See why it makes sense to shop around?**

*Note: The estimated costs are for illustrative purposes only.*

# The ins and outs of coverage

Knowing that you have health care coverage that meets your and your family's needs is reassuring. But part of your decision in choosing a plan also requires understanding:

- who can be enrolled
- how coverage changes are handled
- what's not covered by your plan
- how your plan works with other coverage

## Who can be enrolled

You can choose coverage for you alone or family coverage that includes you and any of the following family members:

- Your spouse
- Your children age 26 or younger, which includes:
  - A newborn, natural child or a child placed with you for adoption
  - A stepchild, or
  - Any other child for whom you have legal guardianship

Coverage will end on the last day of the month in which they turn 26.

Some children have mental or physical challenges that prevent them from living independently. The dependent age limit does not apply to these enrolled children as long as these challenges were present before they reached age 26.

## How coverage changes are handled

Your coverage can be renewed, cancelled or changed on two different levels. The first is on the employer level, which would impact you and everyone else covered under your employer's plan. The second level impacts your coverage only – including your covered family members – and does not apply to any others covered under your employer's plan..

## The ins and outs of coverage (continued)

1. On the employer level — which impacts you as well as all employees under your employer's plan — your plan can be ...

renewed	cancelled	changed	when ...
●			your employer maintains its status as an employer, remains located in our service area, meets our guidelines for employee participation and premium contribution, pays the required health care premiums and does not commit fraud or misrepresent itself.
	●		your employer makes a bad payment, voluntarily cancels coverage (30-day advance written notice required), is unable (after being given at least a 30-day notice) to meet eligibility requirements to maintain a group plan, or still does not pay the required health care premium (after being given a 31-day grace period and at least a 15-day notice).
	●		we decide to no longer offer the specific plan chosen by your employer (you'll get a 90-day advance notice) or if we decide to no longer offer any coverage in Virginia (you'll get a 180-day advance notice).
		●	your employer and you received a 30-day advance written notice that the coverage was being changed (services added to your plan or the copayment amounts decreased). Copayments can be increased or services can be decreased only when it is time for your group to renew its Lumenos coverage.

2. On an individual level — factors that apply to you and covered family members — your plan can be ...

renewed	cancelled	when ...
●		you maintain your eligibility for coverage with your employer, pay your required portion of the health care premium and do not commit fraud or misrepresent yourself.
	●	you purposely give wrong information about yourself or your dependents when you enroll. Cancellation is effective immediately.
	●	you lose your eligibility for coverage, don't make required payments or make bad payments, commit fraud, are guilty of gross misbehavior, don't cooperate with coordination of benefits recoveries, let others use your ID card, use another member's ID card or file false claims with us. Your coverage will be cancelled after you receive a written notice from us.

## The ins and outs of coverage (continued)

### Special enrollment periods

Typically you are only allowed to enroll in your employer's health plan during certain eligibility periods, such as when it is first offered to you as a "new hire" or during your employer's open enrollment period when employees can make changes to their benefits for an upcoming year. But there may be instances other than these situations in which you may be eligible to enroll. For example, if the first time you are offered coverage and you state in writing that you don't want to enroll yourself, your spouse or your covered dependents because you have coverage through another carrier or group health plan, you may be able to enroll your family later if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage. But, you must ask to be enrolled within 30 days after you or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption. Finally, if you or your dependents' coverage under Medicaid or the state Children's Health Insurance Program (SCHIP) is terminated as a result of a loss of eligibility, or if you or your dependents become eligible for premium assistance under a state Medicaid or SCHIP plan, a special enrollment period of 60 days will be allowed. To request special enrollment or obtain more information, contact your employer.

### About pre-existing conditions

**(does not apply to children under the age of 19)**

Have you been treated for or diagnosed as having a specific condition other than pregnancy? If you have been, did the diagnosis or treatment occur less than 6 months before the date you will begin coverage under your employer's group health plan or by the start of the waiting period required by your employer, whichever is earlier? If so, there is a 12 month period when services may\* not be covered for those specific conditions — often called "pre-existing conditions." All other covered services not related to the pre-existing conditions will be available beginning on your first day as a member. If you or a covered family member have had breast cancer and have been disease-free for five years, it is not considered a pre-existing condition, even if you have had routine follow-up visits to monitor for recurrence within the past 6 months or during your employer's required waiting period.

\* Your 12-month pre-existing period can be reduced by the number of months of "creditable coverage" you had before your group health plan coverage (or employer-required waiting period) starts. Creditable coverage is earned by having had coverage under most types of group or individual health insurance programs.

- fraternal society plans, or
- publicly-sponsored plans like Medicare, Medicaid, State Children's Health Insurance Program (S-CHIP) or TRICARE

## The ins and outs of coverage (continued)

You should receive proof of prior coverage (called a “certificate of creditable coverage”) from either the employer with whom you had the coverage or the health care company that provided it. If you go more than 63 days without health care coverage, coverage before that 63-day break will not reduce your pre-existing period. So that we may reduce the pre-existing period by the amount of time you were covered under creditable coverage, we may require you to give us a copy of any certificates of creditable coverage that you have. If you do not have a certificate, but you have creditable coverage, we will help you get one from your prior plan or issuer. Contact Member Services either by phone or by the address listed on the back of this enrollment brochure.

### **When you’re covered by multiple plans**

If you’re fortunate enough to be covered by more than one health plan, you may not be so thrilled about the paperwork hassles that can come with it when you’re trying to figure out which plan should pay for what. Our Coordination of Benefits (COB) program helps ensure that you receive the benefits due and avoid overpayment by either carrier. Because up-to-date, accurate information is the key to our Coordination of Benefits program, you can expect to receive a COB questionnaire on an annual basis. Timely response to these questionnaires will help avoid delays in claims payment.

If you are covered by two different group health plans, one is considered primary and the other is considered secondary. The primary carrier is the first to pay a claim and provide reimbursement, typically covering the remaining allowable expenses.

## The ins and outs of coverage (continued)

### Determining the primary versus secondary carrier

See the chart below for how determination gets made over which health plan is the primary carrier. The term “participant” is used and means the person who is signing up for coverage:

When a person is covered by 2 group plans, and	Then	Primary	Secondary
One plan does not have a COB provision	The plan without COB is	●	
	The plan with COB is		●
The person is the participant under one plan and a dependent under the other	The plan covering the person as the participant is	●	
	The plan covering the person as a dependent is		●
The person is the participant in two active group plans	The plan that has been in effect longer is	●	
	The plan that has been in effect the shorter amount of time is		●
The person is an active employee on one plan and enrolled as a COBRA participant for another plan	The plan in which the participant is an active employee is	●	
	The COBRA plan is		●
The person is covered as a dependent child under both plans	The plan of the parent whose birthday occurs earlier in the calendar year (known as the birthday rule) is	●	
	The plan of the parent whose birthday is later in the calendar year is		●
	Note: When the parents have the same birthday, the plan that has been in effect longer is	●	
The person is covered as a dependent child and coverage is stipulated in a court decree	The plan of the parent primarily responsible for health coverage under the court decree is	●	
	The plan of the other parent is		●
The person is covered as a dependent child and coverage is not stipulated in a court decree	The custodial parent's plan is	●

### How benefits apply when Medicare-eligible

Some people under age 65 are eligible for Medicare in addition to any other coverage they may have. The following chart shows how payment is coordinated under various scenarios:

When a person is covered by Medicare and a group plan, and	Then	Your Anthem plan is primary	Medicare is primary
Is a person who is qualified for Medicare coverage due solely to End Stage Renal Disease (ESRD-kidney failure)	During the 30-month Medicare entitlement period	●	
	Upon completion of the 30-month Medicare entitlement period		●
Is a disabled member who is allowed to maintain group enrollment as an active employee	If the group plan has more than 100 participants	●	
	If the group plan has fewer than 100 participants		●
Is the disabled spouse or dependent child of an active full-time employee	If the group plan has more than 100 participants	●	
	If the group plan has fewer than 100 participants		●
Is a person who becomes qualified for Medicare coverage due to ESRD after already being enrolled in Medicare due to disability	If Medicare had been secondary to the group plan before ESRD entitlement	●	
	If Medicare had been primary to the group plan before ESRD entitlement		●

### Recovery of overpayments

If health care benefits are inadvertently overpaid, reimbursement for the overpayment will be requested. Your help in the recovery process would be appreciated. We reserve the right to recover any overpayment from:

- any person to or for whom the overpayments were made;
- any health care company; and
- any other organization.

## The ins and outs of coverage (continued)

### What's not covered (exclusions)

When it comes to your health, you're the final decision maker about what services you need to get and where you should get them from. But, in order for us to keep the cost of health care as low as possible for both you and your employer, we have to exclude certain services. The following list of services and supplies are excluded from coverage by your health plan and will not be covered in any case.

#### acupuncture

#### biofeedback therapy

over-the-counter **convenience** and hygienic items including, but not limited to, adhesive removers, cleansers, underpads, and ice bags

**cosmetic surgery or procedures**, including complications that result from such surgeries and/or procedures. Cosmetic surgeries and procedures are performed mainly to improve or alter a person's appearance including body piercing and tattooing. However, a cosmetic surgery or procedure does not include a surgery or procedure to correct deformity caused by disease, trauma, or a previous therapeutic process. Cosmetic surgeries and/or procedures also do not include surgeries or procedures to correct congenital abnormalities that cause functional impairment. We will not consider the patient's mental state in deciding if the surgery is cosmetic.

**dental services except:** medically necessary dental services resulting from an accidental injury, provided that, for an injury occurring on or after your effective date of coverage, you seek treatment within 60 days after the injury. You must submit a plan of treatment from your dentist or oral surgeon for prior approval by Anthem.

- cost of dental services and dental appliances only when required to diagnose or treat an accidental injury to the teeth
- repair of dental appliances damaged as a result of an accidental injury to the jaw, mouth or face
- dental services and appliances furnished to a newborn when required to treat medically diagnosed cleft lip, cleft palate, or ectodermal dysplasia
- dental services to prepare the mouth for radiation therapy to treat head and neck cancer
- covered general anesthesia and hospitalization services for children under the age of 5, covered persons who are severely disabled, and covered persons who have a medical condition that requires admission to a hospital or outpatient surgery facility. These services are provided when it is determined by a licensed dentist, in consultation with the covered persons' treating physician that such services are required to effectively and safely provide dental care.

**donor** searches for organ and tissue transplants, including compatibility testing of potential donors who are not immediate, blood-related family members (parent, child, sibling)

## The ins and outs of coverage (continued)

**experimental/investigative** procedures, as well as services related to or complications from such procedures except for clinical trial costs for cancer as described by the National Cancer Institute. This will not prevent a member from being able to appeal Anthem's decision that a service is not experimental/investigative.

services for palliative or cosmetic **foot** care

- flat foot conditions
- support devices, arch supports, foot inserts, orthopedic and corrective shoes that are not part of a leg brace and fittings, castings and other services related to devices of the feet
- foot orthotics
- subluxations of the foot
- corns, calluses and care of toenails (except in treatment for patients with diabetes or vascular disease)
- bunions (except capsular or bone surgery)
- fallen arches, weak feet, chronic foot strain
- symptomatic complaints of the feet

### Experimental ... or not?

Many of the Anthem HealthKeepers medical directors and staff actively participate in a number of national health care committees that review and recommend new experimental or investigative treatments for coverage. To be approved for coverage, the service or product must have:

- been tested enough so that we can be certain it will result in positive results
- when used in real case regulatory approval from the Food and Drug Administration;
- been put through extensive research study to find all the benefits and possible harms of the technology;
- benefits that are far better than any potential risks;
- at least the same or better effectiveness as any similar service or procedure already available; and
- been tested enough so that we can be certain it will result in positive results when used in real cases.

services for surgical treatment of **gynecomastia** for cosmetic purposes.

**health club memberships**, exercise equipment, charges from a physical fitness instructor or personal trainer, or any other charges for activities, equipment, or facilities used for developing or maintaining physical fitness, even if ordered by a physician. This exclusion also applies to health spas.

**These services are not covered by your plan.**

## The ins and outs of coverage (continued)

**hearing** care except in relation to preventive care screenings (Implantable or removable hearing aids, except for cochlear implants, are not covered.)

### **home care** services

- homemaker services
- maintenance therapy
- food and home delivered meals
- custodial care and services

### **hospital** services

- guest meals, telephones, televisions, and any other convenience items received as part of your inpatient stay
- care by interns, residents, house physicians, or other facility employees that are billed separately from the facility
- a private room unless it is medically necessary

**immunizations** required for travel or work, unless such services are received as part of the covered preventive care services

**medical equipment, appliances and devices, and medical supplies** that have both a nontherapeutic and therapeutic use:

- exercise equipment
- air conditioners, dehumidifiers, humidifiers, and purifiers
- hypoallergenic bed linens
- whirlpool baths
- handrails, ramps, elevators, and stair glides
- telephones
- adjustments made to a vehicle
- foot orthotics
- changes made to a home or place of business
- repair or replacement of equipment you lose or damage through neglect

**medical equipment (durable)** that is not appropriate for use in the home

## The ins and outs of coverage (continued)

services or supplies deemed **not medically necessary** as determined by Anthem at its sole discretion. This will not prevent a member from being able to appeal Anthem's decision that a service is not medically necessary.

The following exceptions qualify for coverage.

**For inpatients:**

1. services rendered by professional providers who do not control whether you are treated on an inpatient basis, such as pathologists, radiologists, anesthesiologists, and consulting physicians or related outpatient services or as part of your outpatient services will not be denied under this exclusion in spite of the medical necessity denial of the overall services
2. services rendered by your attending provider other than inpatient evaluation and management services. Inpatient evaluation and management services include routine visits by your attending provider to review patient status, test results, and patient medical records and do not include surgical, diagnostic, or therapeutic services.

**For outpatients:**

services of pathologists, radiologists and anesthesiologists rendering services in an (i) outpatient hospital setting, (ii) emergency room, or (iii) ambulatory surgery setting. This exception does not apply if and when pathologist, radiologist or anesthesiologist assumes the role of attending physician.

### **mental health and substance abuse**

- inpatient stays for environmental changes
- cognitive rehabilitation therapy
- educational therapy
- vocational and recreational activities
- coma stimulation therapy
- services for sexual deviation and dysfunction
- treatment of social maladjustment without signs of a psychiatric disorder
- remedial or special education services
- inpatient mental health treatments that meet the following criteria:
  - more than 2 hours of psychotherapy during a 24-hour period in addition to the psychotherapy being provided pursuant to the inpatient treatment program of the hospital
  - group psychotherapy when there are more than 8 patients with a single therapist
  - group psychotherapy when there are more than 12 patients with two therapists
  - more than 12 convulsive therapy treatments during a single admission
  - psychotherapy provided on the same day of convulsive therapy

**nutrition** counseling and related services, except when provided as part of diabetes education or when received as part of a covered wellness services visit or screening

## The Ins and Outs of Coverage (continued)

**nutritional** and/or dietary supplements, except as specifically listed in this enrollment brochure or as required by law. This exclusion includes, but is not limited to, those nutritional formulas and dietary supplements that can be purchased over the counter, which by law do not require either a written prescription or dispensing by a licensed pharmacist.

**obesity** services and supplies related to weight loss or dietary control, including complications that directly result from such surgeries and/or procedures. This includes weight reduction therapies/activities, even if there is a related medical problem. Notwithstanding provisions of other exclusions involving cosmetic surgery to the contrary, services rendered to improve appearance (such as abdominoplasties, panniculectomies, and lipectomies), are not covered services even though the services may be required to correct deformity after a previous therapeutic process involving gastric bypass surgery.

**organ** or tissue transplants, including complications caused by them, except when they are considered medically necessary, have received pre-authorization, and are not considered experimental/investigative. Autologous bone marrow transplants for breast cancer are covered only when the procedure is performed in accordance with protocols approved by the institutional review board of any United States medical teaching college. These include, but are not limited to, National Cancer Institute protocols that have been favorably reviewed and used by hematologists or oncologists who are experienced in high dose chemotherapy and autologous bone marrow transplants or stem cell transplants. This procedure is covered despite the exclusion in the plan of experimental/investigative services.

**paternity testing**

### **prescription drug benefits**

- over-the-counter drugs
- any per unit, per month quantity over the plan's limit
- drugs used mainly for cosmetic purposes
- drugs that are experimental, investigational, or not approved by the FDA
- cost of medicine that exceeds the allowable charge for that prescription
- medications used to treat sexual dysfunction
- drugs for weight loss
- stop smoking aids
- therapeutic devices or appliances
- injectable prescription drugs that are supplied by a provider other than a pharmacy
- charges to inject or administer drugs
- drugs not dispensed by a licensed pharmacy
- drugs not prescribed by a licensed provider
- infertility medication
- any refill dispensed after one year from the date of the original prescription order
- medicine covered by workers' compensation, Occupational Disease Law, state or government agencies
- medicine furnished by any other drug or medical service

**private duty nurses** in the inpatient setting

## The ins and outs of coverage (continued)

**rest cures**, custodial, residential or domiciliary care and services. Whether care is considered residential will be determined based on factors such as whether you receive active 24-hour skilled professional nursing care, daily physician visits, daily assessments, and structured therapeutic service.

care from **residential treatment centers** or other non-skilled inpatient settings, except to the extent such setting qualified as a substance abuse treatment facility licensed to provide a continuous, structured, 24-hour-a-day program of drug or alcohol treatment and rehabilitation including 24-hour-a-day nursing care

### services or supplies

- ordered by a doctor whose services are not covered under your health plan
- are of any type given along with the services of an attending provider whose services are not covered
- benefits for charges from stand-by physicians in the absence of covered services being rendered
- not listed as covered under your health plan
- not prescribed, performed, or directed by a provider licensed to do so
- received before the effective date or after a covered person's coverage ends
- telephone consultations, charges for not keeping appointments, or charges for completing claim forms

### services or supplies

- for travel, whether or not recommended by a physician
- given by a member of the covered person's immediate family, including your spouse, child, brother, sister, parent, in-law or self
- provided under federal, state, or local laws and regulations including Medicare and other services available through the Social Security Act of 1965, as amended, except as provided by the Age Discrimination Act. This exclusion applies whether or not you waive your rights under these laws and regulations. It does not apply to laws that make the government program the secondary payor after benefits under this policy have been paid. Anthem will pay for covered services when these program benefits have been exhausted.
- provided under a U.S. government program or a program for which the federal or state government pays all or part of the cost. This exclusion does not apply to health benefits plans for civilian employees or retired civilian employees of the federal or state government
- received from an employer mutual association, trust, or a labor union's dental or medical department
- for diseases contracted or injuries caused because of war, declared or undeclared, voluntary participation in civil disobedience, or other such activities

## The ins and outs of coverage (continued)

**services** for which a charge is not usually made including those services for which you would not have been charged if you did not have health care coverage

**services or benefits** for:

- amounts above the allowable charge for a service
- self-administered services or self care
- self-help training
- biofeedback, neurofeedback, and related diagnostic tests

**services or supplies** primarily for educational, vocational, or self-management/training purposes, except as otherwise specified, except when received as part of a covered wellness services visit or screening

**sexual dysfunction surgery or sex transformation** services, including medical and mental health services

**skilled nursing** facility stays

- treatment of psychiatric conditions and senile deterioration
- facility services during a temporary leave of absence from the facility
- a private room unless it is medically necessary

**smoking cessation** programs not affiliated with us

**spinal manipulations** or other manual medical interventions for an illness or injury other than musculoskeletal conditions

**telemedicine**

- non-interactive telemedicine services, including audio only telephone, electronic mail message or facsimile transmission

**therapies**

- physical therapy, occupational therapy, or speech therapy to maintain or preserve current functions if there is no chance of improvement or reversal except for children under age 3 who qualify for early intervention services
- group speech therapy
- group or individual exercise classes or personal training sessions
- recreation therapy including, but not limited to, sleep, dance, arts, crafts, aquatic, gambling, and nature therapy

## The ins and outs of coverage (continued)

services for treatment of varicose **veins** or telangiectatic dermal veins (spider veins) by any method including sclerotherapy or other surgeries) when services are rendered for cosmetic purposes

### vision services

- vision services or supplies unless needed due to eye surgery and accidental injury
- routine vision care and materials
- services for radial keratotomy and other surgical procedures to correct refractive defects such as nearsightedness, farsightedness and/or astigmatism. This type of surgery includes keratoplasty and Lasik procedure;
- services for vision training and orthoptics
- tests associated with the fitting of contact lenses unless the contact lenses are needed due to eye surgery or to treat accidental injury
- sunglasses or safety glasses and accompanying frames of any type
- any non-prescription lenses, eyeglasses or contacts, or Plano lenses or lenses that have no refractive power
- any lost or broken lenses or frames
- any blended lenses (no line), oversize lenses, progressive multifocallenses, photchromatic lenses, tinted lenses, coated lenses, cosmetic lenses or processes, or UV-protected lenses
- services needed for employment or given by a medical department, clinic, or similar service provided or maintained by the employer or any government entity
- any other vision services not specifically listed as covered

**weight loss programs** whether or not they are pursued under medical or physician supervision, unless specifically listed as covered. This exclusion includes, but is not limited to commercial weight loss programs (Weight Watchers, Jenny Craig, LA Weight Loss) and fasting programs.

services or supplies if they are for **work-related** injuries or diseases when the employer must provide benefits by federal, state, or local law or when that person has been paid by the employer. This exclusion applies even if you waive your right to payment under these laws and regulations or fail to comply with your employer's procedures to receive the benefits. It also applies whether or not the covered person reaches a settlement with his or her employer or the employer's insurer or self insurance association because of the injury or disease.

# Dental Benefits

Go to [www.anthem.com/mydentalvision](http://www.anthem.com/mydentalvision) or call customer service to obtain an application for these benefits. This is not a contract. It is a partial listing of benefits and services. All covered services are subject to the conditions, limitations, exclusions, terms, and provisions of the dental certificate. In the event of a discrepancy between the information contained in this benefit summary and that in the dental certificate, the dental certificate will prevail.

**In-network and out-of-network**

Percentages shown in the benefits chart herein reflect the percentage of the Covered Expense that Anthem will pay.

**Participating Providers** are dentists who have contracted with us to provide dental care to our members at a negotiated rate. When using a participating dentist, you will only be responsible for your deductible and coinsurance amounts, if applicable.

**Non-Participating Providers** are dentists who have not contracted with us and therefore may charge their usual fee for services they provide to you. When using a non-participating dentist, you will be responsible for your deductible and coinsurance amounts, if applicable, plus any amount over our Covered Expense, up to the dentist's billed charges. While the percentage we pay is the same whether you receive dental services in-network or out-of-network, you may end up paying more out-of-pocket when you visit a non-participating provider.

### **Take charge of your health and the choices you make**

We all have different health needs. Maybe you're fit and want to stay that way. Maybe you're living with a chronic condition like asthma. Or maybe you fall somewhere in between. No matter where you fall, our 360° Health program is here to give you all the help you need to live healthier. From tips and tools you can find online to nurses you can talk to on the phone, 360° Health can help you take better control over your health. And it can give you the power to make the decisions that are right for you.

#### **24/7 NurseLine**

Round-the-clock access to health information can really help your peace of mind and your physical well-being. That's why we have Nurse Coaches ready to speak with you about your general health issues any time of the day or night. Just call the 24/7 NurseLine toll-free number to get answers to questions like these:

- Can the problem be treated at home?
- Do you need to see your doctor?
- Should you head straight to the emergency room?

Making the right call can help you avoid unnecessary worry and costs. And, most importantly, safeguard your health and the health of your family.

**To reach 24/7 NurseLine, just call the customer service number on your ID card and ask to speak to a 24/7 NurseLine representative.**

#### **Future Moms**

We know your goal is to have a safe delivery and a healthy baby. That's why we offer Future Moms, a voluntary program to help you take care of your baby before you deliver. Register for Future Moms and you'll get:

- 24/7 toll-free access to a registered nurse who'll answer your questions and talk to you about pregnancy-related issues.
- A helpful book: *Your Pregnancy Week by Week*
- Tips and facts to help you handle any unexpected events
- A questionnaire to see if you're at risk for preterm delivery

## 360° Health® programs

- Useful tools to help you, your doctor and your Future Moms nurse track your pregnancy and spot possible risks

**Enroll in Future Moms by calling the customer service number on your ID card. Ask to speak to a Future Moms representative.**

### **ConditionCare**

If you or someone you love has an ongoing illness or health problem, let us help you get more out of life. Our ConditionCare nurses help people of all ages take care of the symptoms of asthma and diabetes. And they work closely with adults who have chronic obstructive pulmonary disease (COPD), heart failure and coronary artery disease. With ConditionCare you'll get the information you need to help you feel your very best. Our ConditionCare nurses gather information from you and your doctor. Then they create a personalized plan for you.

**Information and support are as close as your phone. Call the customer service number on your ID card and ask to speak to a ConditionCare Nurse.**

### **ConditionCare Support Programs**

If you or a family member is diagnosed with certain types of cancer, vascular or musculoskeletal diseases, or low back pain, ConditionCare may be able to help. It's a no-extra charge program that gives you toll-free, 24-hour access to Nurse Coaches — registered nurses who can help you better manage your condition and help you follow your physician's care plan. And it's all backed by a clinical team featuring pharmacists, dietitians and exercise physiologists. ConditionCare also gives you the information and tools that can help you avoid unnecessary doctor's office visits, hospitalizations, and time away from the job.

**Ready to take more control of your health? Call the customer service number on your ID card and ask to speak to a ConditionCare Nurse.**

### **MyHealth Advantage**

MyHealth Advantage can keep you and your bank account healthier.

Here's how it works: We review your health status daily and check to see what medications you're taking. If we see that any of your medicines could interact with each other, we tell your doctor right away. We also keep track of when you need to get routine tests and checkups. We send you a reminder called a "MyHealth Note" when you should make these appointments. MyHealth Note has a summary of all your recent claims. And from time to time, we give you tips on how to save you money on your medications.

## 360° Health® programs

### ComplexCare

ComplexCare is for our members with more than one health problem or a condition that puts them at risk for needing more care, more often. If you sign up for ComplexCare, you, your family and your doctors will work with a ComplexCare nurse and others on our staff. They'll help you meet health goals and help you avoid going in and out of the hospital.

With ComplexCare, you have 24/7 toll-free access to nurses who will work one-on-one with you to teach you about taking care of your condition while living the life you like to live. They'll also help you learn about why it's important to go for regular checkups and screenings. The nurses can help you make better choices about your care. They can also help make sure your doctors are all talking to each other about your care and what's best for you. If you qualify for the ComplexCare program, a nurse will contact you.

**To learn more, log on to [anthem.com](http://anthem.com) or contact the customer service number on your ID card.**

### Healthy Lifestyles

Healthy Lifestyles is a free online program that gives you support and rewards to help you stay healthy or get healthier. Whether you want to quit smoking, lose weight, eat right, exercise more or manage stress, Healthy Lifestyles makes it easy to set goals, track your progress and earn rewards. With Healthy Lifestyles, you can:

- Sign up for a program to quit smoking
- Use nutrition and fitness trackers
- Find healthy recipes
- Join community and online forums
- Get discounts on massages, gym memberships, spa services and more

**A healthier lifestyle can be just a mouse click away. To learn more, visit [anthem.com](http://anthem.com).**

### Behavioral Health

Dealing with complex mental health and medical conditions can be confusing and frustrating. But you don't have to face them alone. Our two programs, Behavioral Health Care Management and Depression Care Management can help guide you through your mental and physical health care challenges. The programs' care managers are licensed mental health professionals. They'll work closely with you to make a plan that can help you meet your mental health goals and tackle any barriers that might get in the way. The care managers will also make sure that all of your doctors and anyone else giving you care are all working together so that you get the best care. They'll also help you get the most value from your health plan benefits.

**To learn more, call the customer service number on your ID card and ask to speak to a Behavioral Health Resource representative.**

## 360° Health® programs

### Imaging Management

Our Imaging Management program works directly with your doctor to help you get the right imaging test – like an MRI or PET scan – for your needs. Getting the right test done the first time can mean a faster, more accurate diagnosis. It can also mean you're exposed to a smaller amount of radiation. And it can reduce the amount of money wasted on extra tests. The program gives your doctor's office a list of nearby imaging facilities that are in your health plan's network. And it even tells your doctor which one has the best quality and value for any given test. Please remind your doctor to contact our Imaging Management program whenever you need a test.

# Information You Should Know

## Managing your care if you need to go to a hospital or get a specific medical treatment

If you or a family member needs a certain type of medical care (for example: surgery, a treatment done in a doctor's office, physical therapy, etc.), you may want to know more about the following programs and definitions. They may help you better understand how your benefits work and how your health plan manages your care in these types of situations.

### Utilization Management

Utilization Management (UM) is a program that is part of your health plan that lets us make sure you're getting the right care at the right time. Our UM program is made up of a team of licensed health care professionals such as nurses and doctors who do medical reviews. The UM review team goes over the information we have received from your doctor or other health care provider to see if a surgery, treatment or other type of care that has been requested is medically needed. The UM review team checks to make sure that the treatment meets specific rules set by your health plan. After reviewing the records and information, the surgery or treatment will be approved (covered) or denied (not covered) and the UM review team will let you and your doctor know as soon as possible.

Medical reviews like this can be done before, during and after a member's treatment. Here's an explanation of each type of review:

#### **The prospective or pre-service review (done before medical care is given)**

A prospective review is done before a member goes to the hospital or has some other type of service or treatment.

Here are some types of medical needs members may have that might call for a prospective review:

- To go to (and/or stay at) a hospital
- An outpatient procedure (the member can go home the same day)
- Tests done to try to find the cause of an illness such as MRI (Magnetic Resonance Imaging) and CT (Computed Tomography) scans
- A certain type of outpatient therapy such as physical therapy or emotional health counseling
- "Durable medical equipment" (DME) which means wheelchairs, walkers, crutches, hospital beds and more

#### **The concurrent review (done during medical care and recovery)**

A concurrent review is done at the time the member is in the hospital or is released and needs more care related to the hospital stay. This could mean services or treatment done in a doctor's office, regular office visits, physical or emotional therapy, home health care, durable medical equipment (see above), staying in a nursing home, getting emotional health care and more. The UM review team looks at the member's medical information at the time of the review to see if the treatment is medically needed.

## Managing your care if you need to go to a hospital or get a specific medical treatment

### **The retrospective or post-service review (done after medical care is given)**

A retrospective review is done when a member has already had surgery or another type of medical care. When the UM review team becomes aware of the treatment, they will look at the member's medical information that the doctor or provider had at the time the medical care was given. They can then see if the treatment was medically needed.

### **Case Management**

Case managers are licensed health care professionals who work with you and your doctor to help you learn about and manage your health conditions, and help you better understand your health benefits.

## Your rights and responsibilities as an Anthem Blue Cross Blue Shield member

As an Anthem Blue Cross Blue Shield (Anthem) member you have certain rights and responsibilities to help make sure that you get the most from your plan and access to the best care possible. That includes certain things about your care, how your personal information is shared and how you work with us and your doctors. It's kind of like a "Bill of Rights". And helps you know what you can expect from your overall health care experience and become a smarter health care consumer.

### You have the right to:

- Speak freely and privately with your doctors and other health professionals about all health care options and treatment needed for your condition, no matter what the cost or whether it's covered under your plan.
- Work with your doctors in making choices about your health care.
- Be treated with respect, dignity, and the right to privacy.
- Privacy, when it comes to your personal health information, as long as it follows state and federal laws, and our privacy rules.
- Get information about our company and services, and our network of doctors and other health care providers.
- Get more information about your rights and responsibilities and give us your thoughts and ideas about them.
- Give us your thoughts and ideas about any of the rules of your health care plan and in the way your plan works.
- Make a complaint or file an appeal about:
  - Your health care plan
  - Any care you get
  - Any covered service or benefit ruling that your health care plan makes
- Say no to any care, for any condition, sickness or disease, without it affecting any care you may get in the future; and the right to have your doctor tell you how that may affect your health now and in the future
- Participate in matters that deal with the company policies and operations.
- Get all of the most up-to-date information about the cause of your illness, your treatment and what may result from that illness or treatment from a doctor or other health care professional. When it seems that you will not be able to understand certain information, that information will be given to someone else that you choose.
- Get help at any time, by contacting your local insurance department.

### You have the responsibility to:

- Choose any primary care physician (doctor), also called a PCP, who is in our network if your health care plan says that you to have a PCP.

## **Your rights and responsibilities as an Anthem Blue Cross Blue Shield member (continued)**

- Treat all doctors, health care professionals and staff with courtesy and respect.
- Keep all scheduled appointments with your health care providers and call their office if you have a delay or need to cancel.
- Read and understand, to the best of your ability, all information about your health benefits or ask for help if you need it.
- To the extent possible, understand your health problems and work with your doctors or other health care professionals to make a treatment plan that you all agree on.
- Follow the care plan that you have agreed on with your doctors or health care professionals.
- Tell your doctors or other health care professionals if you don't understand any care you're getting or what they want you to do as part of your care plan.
- Follow all health care plan rules and policies.
- Let our Customer Service department know if you have any changes to your name, address or family members covered under your plan.
- Give us, your doctors and other health care professionals the information needed to help you get the best possible care and all the benefits you are entitled to. This may include information about other health care plans and insurance benefits you have in addition to your coverage with us.

For details about your coverage and benefits, please read your "Subscriber Agreement".

# Important legal information you should take time to read

## Women's Health and Cancer Rights Act of 1998

The Women's Health and Cancer Rights Act explains your rights for treatment under the health plans if you need a mastectomy. Plain and simple... we're here for you.

If you ever need a benefit-covered mastectomy, we hope it will give you some peace of mind to know that your Anthem Blue Cross and Blue Shield benefits comply with the Women's Health and Cancer Rights Act of 1998, which provides for:

- Reconstruction of the breast(s) that underwent a covered mastectomy.
- Surgery and reconstruction of the other breast to restore a symmetrical appearance.
- Prosthesis and coverage for physical complications related to all stages of a covered mastectomy, including lymphedema.
- All applicable benefit provisions will apply, including existing deductibles, copayments and/or co-insurance.

## HIPAA NOTICE OF PRIVACY PRACTICES

The HIPAA Notice of Privacy Practices explains the rules around how we handle your private information under HIPAA laws. Plain and simple... we don't share your information unless it's needed to manage your benefits or you give us the OK to do it.

We keep the health and financial information of our current and former members private as required by law, accreditation standards, and our rules. This notice explains your rights. It also explains our legal duties and privacy practices. We are required by federal law to give you this notice.

### Your Protected Health Information

We may collect, use, and share your Protected Health Information (PHI) for the following reasons and others as allowed or required by law, including the HIPAA Privacy rule:

**For Payment:** We use and share PHI to manage your account or benefits; or to pay claims for health care you get through your plan. For example, we keep information about your premium and deductible payments. We may give information to a doctor's office to confirm your benefits.

**For Health Care Operations:** We use and share PHI for our health care operations. For example, we may use PHI to review the quality of care and services you get. We may also use PHI to provide you with case management or care coordination services for conditions like asthma, diabetes, or traumatic injury.

**For Treatment Activities:** We do not provide treatment. This is the role of a health care provider such as your doctor or a hospital. But, we may share PHI with your health care provider so that the provider may treat you.

**To You:** We must give you access to your own PHI. We may also contact you to let you know about treatment options or other health-related benefits and services. When you or your

## Important legal information you should take time to read (continued)

dependents reach a certain age, we may tell you about other products or programs for which you may be eligible. This may include individual coverage. We may also send you reminders about routine medical checkups and tests.

**To Others:** You may tell us in writing that it is OK for us to give your PHI to someone else for any reason. Also, if you are present, and tell us it is OK, we may give your PHI to a family member, friend or other person. We would do this if it has to do with your current treatment or payment for your treatment. If you are not present, if it is an emergency, or you are not able to tell us it is OK, we may give your PHI to a family member, friend or other person if sharing your PHI is in your best interest.

**As Allowed or Required by Law:** We may also share your PHI, as allowed by federal law, for many types of activities. PHI can be shared for health oversight activities. It can also be shared for judicial or administrative proceedings, with public health authorities, for law enforcement reasons, and to coroners, funeral directors or medical examiners (about decedents). PHI can also be shared for certain reasons with organ donation groups, for research, and to avoid a serious threat to health or safety. It can be shared for special government functions, for workers' compensation, to respond to requests from the U.S. Department of Health and Human Services and to alert proper authorities if we reasonably believe that you may be a victim of abuse, neglect, domestic violence or other crimes. PHI can also be shared as required by law.

If you are enrolled with us through an employer sponsored group health plan, we may share PHI with your group health plan. We and/or your group health plan may share PHI with the sponsor of the plan. Plan sponsors that receive PHI are required by law to have controls in place to keep it from being used for reasons that are not proper.

**Authorization:** We will get an OK from you in writing before we use or share your PHI for any other purpose not stated in this notice. You may take away this OK at any time, in writing. We will then stop using your PHI for that purpose. But, if we have already used or shared your PHI based on your OK, we cannot undo any actions we took before you told us to stop.

**Genetic Information:** If we use or disclose PHI for underwriting purposes, we are prohibited from using or disclosing PHI that is genetic information of an individual for such purposes.

### Your Rights

Under federal law, you have the right to:

- Send us a written request to see or get a copy of certain PHI or ask that we correct your PHI that you believe is missing or incorrect. If someone else (such as your doctor) gave us the PHI, we will let you know so you can ask them to correct it.
- Send us a written request to ask us not to use your PHI for treatment, payment or health care operations activities. We are not required to agree to these requests.
- Give us a verbal or written request to ask us to send your PHI using other means that are reasonable. Also let us know if you want us to send your PHI to an address other than your home if sending it to your home could place you in danger.
- Send us a written request to ask us for a list of certain disclosures of your PHI.

## Important legal information you should take time to read (continued)

Call Customer Service at the phone number printed on your identification (ID) card to use any of these rights. They can give you the address to send the request. They can also give you any forms we have that may help you with this process.

### How we protect information

We are dedicated to protecting your PHI. We set up a number of policies and practices to help make sure your PHI is kept secure.

We keep your oral, written, and electronic PHI safe using physical, electronic, and procedural means. These safeguards follow federal and state laws. Some of the ways we keep your PHI safe include offices that are kept secure, computers that need passwords, and locked storage areas and filing cabinets. We require our employees to protect PHI through written policies and procedures. The policies limit access to PHI to only those employees who need the data to do their job. Employees are also required to wear ID badges to help keep people, who do not belong, out of areas where sensitive data is kept. Also, where required by law, our affiliates and non-affiliates must protect the privacy of data we share in the normal course of business. They are not allowed to give PHI to others without your written OK, except as allowed by law.

### Potential Impact of Other Applicable Laws

HIPAA (the federal privacy law) generally does not preempt, or override other laws that give people greater privacy protections. As a result, if any state or federal privacy law requires us to provide you with more privacy protections, then we must also follow that law in addition to HIPAA.

### Complaints

If you think we have not protected your privacy, you can file a complaint with us. You may also file a complaint with the Office for Civil Rights in the U.S. Department of Health and Human Services. We will not take action against you for filing a complaint.

### Contact Information

Please call Customer Service at the phone number printed on your ID card. They can help you apply your rights, file a complaint, or talk with you about privacy issues.

### Copies and Changes

You have the right to get a new copy of this notice at any time. Even if you have agreed to get this notice by electronic means, you still have the right to a paper copy. We reserve the right to change this notice. A revised notice will apply to PHI we already have about you as well as any PHI we may get in the future. We are required by law to follow the privacy notice that is in effect at this time. We may tell you about any changes to our notice in a number of ways. We may tell you about the changes in a member newsletter or post them on our website. We may also mail you a letter that tells you about any changes.

This Notice is provided by the following company: **Anthem Blue Cross and Blue Shield**

### STATE NOTICE OF PRIVACY PRACTICES

As we told you in our HIPAA notice, we must follow state laws that are more strict than the federal HIPAA privacy law. This notice explains your rights and our legal duties under state law.

#### Your Personal Information

We may collect, use and share your nonpublic personal information (PI) as described in this notice.

We may collect PI about you from other persons or entities such as doctors, hospitals, or other carriers.

We may share PI with persons or entities outside of our company without your OK in some cases.

If we take part in an activity that would require us to give you a chance to opt-out, we will contact you. We will tell you how you can let us know that you do not want us to use or share your PI for a given activity.

You have the right to access and correct your PI.

Because PI is defined as any information that can be used to make judgements about your health, finances, character, habits, hobbies, reputation, career and credit, we take reasonable safety measures to protect the PI we have about you.

A more detailed state notice is available upon request. Please call the phone number printed on your ID card.

## Health care reform and your plan

You've most likely heard a lot of people talk about health care reform lately. But you may have questions about what it all means for you and your family. Here's a quick review of what the new law may mean to your group health plan. Keep in mind that other company plans may have different rules. If you have questions about your specific benefits, call the customer service number on your member ID card or ask your group benefits administrator for a number to call.

### **What's changed: When you join, you'll have a chance to add young adult children to your plan.**

The federal health care reform law lets children (also called dependents) stay on their parent's or guardian's health plan until the end of the month when they turn 26 years old. In some states, they can stay on the plan even longer.

Children can be on your plan even if they are not:

- Financially dependent on you for support
- Claimed as dependents on your tax return
- Residents of your household
- Enrolled as students or unmarried

If you have children younger than 26 who aren't on your plan now and your company offers coverage for children, you can add them to your plan during your next open enrollment. If your plan already covers children up to age 26, you don't have to do anything. They'll stay on your plan automatically.

### **What's changed: Children under 19 can get coverage even if they have health problems.**

The law says group health plans can't deny coverage to children under 19 if they have pre-existing conditions (health problems). Here's how a website run by the federal government, called [healthcare.gov](http://healthcare.gov), defines a pre-existing condition: a pre-existing condition is "a condition, disability or illness (either physical or mental) that you have before you enrolled in a health plan."

Very few group health plans deny coverage because of pre-existing conditions. But some plans still have waiting periods. A waiting period means that a child under 19 has to wait a certain amount of time before he or she can get covered for certain services.

## Health care reform and your plan (continued)

### **What's changed: No more lifetime maximum dollar limits.**

In the past, health plans could have a “lifetime maximum” – a dollar limit on what the plan will pay for health care services over your lifetime. If your plan had a lifetime maximum, it's gone now. But other limits may still apply. For example, you may have limits on certain services that aren't considered “essential health benefits.” Also, you may have limits on how many times you can use a benefit during the year. Check your Summary of Benefits to see if this applies to you.

### **What's new: You may have more choices in which doctors you can use.**

This part of the law applies to you only if your plan says that you must choose a primary care provider (PCP) and get referrals from your PCP to see a specialist.

- If you have this type of plan (like an HMO), you can choose any PCP as your primary care doctor but the doctor has to be in our network, has to be accepting new patients and will accept you or your family members as patients.
- If your plan covers children, you may choose a pediatrician as their PCP.
- Also, you don't need a referral from your PCP or prior approval from your health care plan to see a gynecologist or obstetrician, as long as those doctors are in our network.

### **What's next? We'll keep you in the loop.**

Things are going to keep on changing for a while. This notice only includes changes that may affect you within the next year. As things continue to change, we'll keep you up to date to make sure you get all the benefits that can help you and your family get and stay as healthy as possible.

## Employer Instructions

- Review Parts A, B, C, and D to be sure all information is complete, accurate and legible.
- When reporting effective dates use contractual start and stop guidelines as defined in your contract (i.e., first of month, end of month, or actual dates).

### Employer Complete Part: E - Group Enrollment Information

- Check one reason for enrollment and provide requested information including coverage effective dates.
- **New Group** – New customer initial employee enrollment. Complete the Prior Coverage Start Date if your plan benefits include waiting periods and credit for prior creditable coverage applies.
- **Existing Dental Group** – Enrolling additional employees from an acquisition/merger who were not previously offered/enrolled in your dental plan. Complete the Prior Coverage Start Date only if your plan benefits include waiting periods and credit for prior creditable coverage applies.
- **New Hire** – Enroll newly hired employee. If a probationary period applies, the coverage effective date is after the probationary period.
- **Open Enrollment** – An employee is enrolling during group's open enrollment period.
- **Rehire** – A former employee was rehired.
- **Return From Leave of Absence** – An employee is returning from leave of absence.
- **Employee Status Change** – The employee's employment status changed and the employee is now eligible for dental benefits.
- **Previously Waived Coverage or Loss of Coverage** – If an employee waives coverage; he/she can only enroll at a later date if the group contract includes an Open Enrollment period or if the individual has a loss of other insurance coverage. If an employee or dependent involuntarily loses coverage and are now eligible to enroll, complete this section.
- **Group Name** – Provide group name as listed in your contract.
- **Group and Subgroup Number** – Provide applicable numbers for individual employee.
- **Group Representative** – Sign, date, and provide your phone number.
