2016 NEW HONORARY MEMBER APPLICATION

The County Sheriffs of Colorado is grateful for your support. This last year has been a challenge for many of our sheriffs with difficult economic times. Some agencies have reduced their work force and operational costs to make do in leaner times, and have taken seriously their role in providing responsible stewardship of your tax dollars. Even with cutbacks and shrinking resources, the sheriffs remain committed to keeping focused on the safety and security of all Colorado citizens and visitors. Some of the important work of our sheriffs is highlighted in our *Colorado Sheriff* magazine, which you will only receive with an active 2016 membership.

Your continued support is as important as ever for the County Sheriffs of Colorado. Your membership supports training of law enforcement officers throughout the state, assists in coordination of state-wide victim notification system, helps assist 30 deserving students with academic scholarships, and supports our effort to stay actively involved in the legislative process with public safety interests in mind.

On behalf of the sheriff of your county and all sheriffs of the state of Colorado, thank you so very much for your support and membership to the County Sheriffs of Colorado.

Respectfully,

Chris S. Johnson
Executive Director
