

ICREX Featured Listing Order Form

The Indiana Commercial Real Estate Exchange (ICREX) is a Commercial Information Exchange for the Indiana Commercial Board of REALTORS® that prides itself on being the solution for all of your property listings, as well as a powerful marketing and networking tool.

Adding to these tools, Basic and Full Access subscribers of ICREX now have the option to feature their property listings on the ICREX home page and ICBR home page for a low monthly fee. There will be ten listing spaces available each month.

Featured listing orders will include placement in the ICBR/ICREX bi-weekly newsletter, and additional promotion through the ICBR Facebook page and social media platforms. These listings gain exposure to an additional 1,000 commercial real estate professionals.

Multiple listings and/or featured months can be ordered on the same form.

Please complete the information below indicating subscription type, listing preference, property information and the month(s) the property should be featured, and return via email, fax or mail to the ICBR office.

Contact 317.328.5259 or email ICREX@myICBR.org with questions regarding ICREX featured listings.
