

March 2, 2009

Dear Friend,

The Colorado Chapter of the Cystic Fibrosis Foundation and Haselden Construction are currently planning our 23rd Annual 65 Roses Golf Classic. This year the tournament will be held on Monday, August 10th at The Golf Club at Ravenna, awarded 2009 “Best Courses of Distinction” by *Golf Week*, “10 Best New Courses” for 2008 by *Golf Digest* and ranked the #2 “Best New Course” in 2007 by *Travel & Leisure Golf*. We will also be returning to Morton’s The Steakhouse for the Dinner and Auction the Sunday night before the tournament.

Thank you for your generous donation to the Auction last year – because of supporters like you, we were able to raise \$197,000! The Cystic Fibrosis Foundation would once again appreciate your participation in the Auction portion of this event through a donation of a gift certificate and/or items.

As a donor to the auction in 2009, your company is offered the following:

- ❑ Your partnership with the CF Foundation will **make your company visible to a highly loyal and dedicated group of consumers**. CF families recognize and appreciate those companies who invest in cures and the future of their children.
- ❑ Your donation will be prominently displayed in the auction, as well as any promotional materials you may want to send us.
- ❑ Your company name will be listed in the formal event program.

Cystic fibrosis (CF) is a genetic disease affecting approximately 30,000 children and adults in the U.S. CF interferes with breathing and leads to lung inflammation and infections that are eventually fatal. Your continued support will help battle CF and take medical research close to that history-making cure for this devastating disease.

Thank you in advance for your generosity. We hope to make this year’s golf tournament a huge success. Enclosed is an auction donation form. Please feel free to contact me with any questions.

Best Regards,

Brooke Spain
Director of Special Events

The Cystic Fibrosis Foundation Federal ID #13-193070-1

The auction portion of CFF charity events are held to benefit Cystic Fibrosis research and constitute a substantial portion of the money we raise. Please consider donating items or services from your company in order to help our continuous effort to find the cure!
