Dear «Title» «Last»,

As you may be aware plans are well underway for what is soon to be known as the Best Party in St. Louis! The Express Scripts' *Reach for a Star Gala* is slated for Friday, November 13, 2009, at the five-diamond hotel the Four Seasons in the dazzling elegance of the Grand Ballroom.

As a businessperson I am sure you can appreciate that partnering with the CF Foundation means partnering with a results-driven organization. Since 1955, the CF Foundation has been the leading organization committed to finding a cure for CF, and improving the lives of those with the disease. By applying the same principles that a "for-profit company" follows - **efficiency, innovation and a results-driven approach** - the CF Foundation is making a profound difference in the lives of those with CF.

The CF Foundation Is Efficient. In 2008, the Foundation achieved a coveted 4-star rating for sound fiscal management from Charity Navigator, the largest charity evaluator in the United States.

The CF Foundation Is Innovative. Forbes has recognized the Foundation for its innovative approach to curing a disease. By offering research awards, the CF Foundation stimulates the development of new CF therapies that are having a profound impact on thousands of young lives.

The CF Foundation Is Results-Driven. When the CF Foundation began, few children lived to attend elementary school. Thanks to the research and care supported by the CF Foundation the median age of survival is now 37 years.

Although the outlook for a child born with CF today has improved tremendously over the years, it is not good enough. Your partnership with the CF Foundation is critical to ensuring that the momentum continues. By support the "*Reach for a Star Gala*" you will be helping a worthwhile organization make CF stand for Cure Found and have a fantastic time in the process!

Warm Regards,

A handwritten signature in black ink that reads 'Gary M Wimberly'.

“Because of risks to people with cystic fibrosis (CF), individuals with a confirmed positive sputum culture for *Burkholderia cepacia* complex **shall not attend** this event. This is because *B. cepacia* can be passed between individuals who have CF through close proximity. *B. cepacia* infection in a person with CF can cause serious respiratory illness and, in some patients, may lead to death. Despite this policy, there might still be some individuals with *B. cepacia* in attendance. *B. cepacia* is not a risk for otherwise healthy individuals. For alternative ways to participate and for information about this policy, please contact the CF Foundation at **(800) FIGHT-CF** or visit our Web site at **www.cff.org**. Consult your CF care center physician with medical questions.”
