All requests to skip-a-payment are subject to credit union approval. By signing this request you agree to amend the terms of your original loan agreement and to repay the entire unpaid balance and accrued interest. Mortgage, home equity, home improvement, credit cards, one-time payment term, loans with less than 3 months payment history, and loans 30 or more days delinquent are not eligible. All accounts at the credit union must be in good standing. The \$25 skip-a-payment fee must be paid prior to payment date and cannot be rolled into the loan balance. In the event of a claim, Guaranteed Asset Protection (GAP) may be affected. Other restrictions may apply. By signing above, I understand the interest will continue to accrue during the deferred period. I understand this will extend the term of my loan. I understand and agree with the terms and conditions of the skip-a-payment program.
