Subject: Traditional Marriage

To: The Honorable _____

I am writing this letter to ask that you would sincerely consider any stance on redefining traditional marriage. Marriage is a sacred union established by God Almighty beginning at creation; between one man and one woman based upon His Divine order of the “biological makeup” of the 2 genders (man and woman) to produce and promulgate life.

Please understand that any decision to change this fundamental definition will reap negative consequences upon the minds of the generations to come in varying aspects but most of all in the area of “absolutes”. If people become confused because there are no absolutes when it comes to the clear and apparent perception of a person’s “biological makeup” or gender; how will they “*not be confused*” when it comes to other areas of life that may not be so well defined?

I am asking that you would please vote to preserve the sanctity of marriage and the fundamental principles of “basic absolutes” thereby preserving the minds of our nation’s future generations.

Thank you so much for taking the time to consider this information!

Sincerely,
