

# LETTER of DISTRICT COMMITMENT

## Meeting Within a Meeting

Workshop Sponsored by the  
American Statistical Association

If           *name of teacher*           is selected as a participant in the Meeting Within a Meeting Workshop to be held in conjunction with the Joint Statistical Meetings of the American Statistical Association in Denver, Colorado, August 4-5, 2008, he/she will have the cooperation and support of the district/school system in implementing the goals of the program. In particular, we agree to allow           *name of teacher*           to teach data analysis, statistics, and/or probability in his/her existing mathematics or science courses and to participate in follow-up sessions during the 2008-09 academic year that will broaden the concepts learned at the Meeting Within a Meeting.

The Meeting Within a Meeting Program will be based on the *Guidelines for Assessment and Instruction in Statistics Education* recommendations ([www.amstat.org/education/gaise](http://www.amstat.org/education/gaise)) endorsed by the American Statistical Association, NCTM *Principles and Standards for School Mathematics*, and *Curriculum Focal Points for Pre-kindergarten through Grade 8 Mathematics*.
