

**LANCASTER CENTRAL SCHOOL DISTRICT
PARENT TRANSPORTATION PERMISSION SLIP**

Dear Lancaster School District Parents,

Lancaster Schools provides transportation services for students who participate in school sponsored co-curricular interscholastic activities. This would include transportation to and from the event. From time to time situations arise when a parent is compelled to transport their child in their personal vehicle to or from an event.

Below please find a copy of the parent/guardian permission slip which we ask that you complete when the need arises for you to assume the responsibility to transport your child to or from an event. Please complete this form and provide it to your son/daughter's advisor/coach, before your child boards the bus for the away event.

Thank you in advance for your understanding and cooperation in this matter.

SPORT ACTIVITY _____

The undersigned is the parent/legal guardian of _____. I hereby request
(name of student)

permission to transport the above named student directly from the following school sponsored sporting event, or other extracurricular activity in lieu of school provided transportation back to the point of departure or to the appropriate school. I acknowledge that the district has offered such transportation and make this request because circumstances make such transportation impractical.
