Sample Letter of Invitation to Pastors and Churches

Dear Pastor,

The classis committee to form a Classis Safe Church Team is moving ahead. The committee has met and we are ready to recruit members to serve on the Team.

We would appreciate the names of one or two persons from your church to serve on this Team. Team members will receive 11 hours of training, learn the dynamics of church-leader misconduct, and understand how to implement the advisory panel process if convened. Presently, there are four mandates for our Safe Church Team. Team members can decide their individual commitment to one of those four mandates after training has concluded.

One of the committee members will contact you before the next classis meeting (or by a certain date) for the name(s) and phone number(s) of the person(s) whom you nominate. We'll talk to this person(s) and give them more information about the Safe Church Team.

The benefits to your church if a member serves on the Team:

- it signifies your church's commitment to the Safe Church Team
- it assures representation of your church on the Team
- the church will have a person trained to respond to allegations of church-leader misconduct
- the church will have a resource for education and support services

If you have questions about identifying a church member to serve, please contact me at the phone number below.

Sincerely,

Person's Name, Chairperson

(Optional) Name of another team member
