

# Rutherford High School -- Lab Report Evaluation Form

Teacher: Mr. Robayo

Each group will hand in one lab. Partners will rotate in handing in the labs. With each lab a copy of this filled out form will also be hand in.

**Note:** You may be tested at anytime when handing in the lab as to whether you contributed or not.

A completed Lab Report should include the following sections:

**Heading, Title, Objective, Hypothesis (Discussion), Materials, Procedures, Data, Conclusion and Questions.**

**This Lab Report Is Completed To The Best Of My Ability.**

X\_\_\_\_\_

( Student Signature)
