

## Say You'll Stay

**THANK YOU** for all you have done this year for our Association and we look forward to your continued support of Girl Scouting in our community. Only with the support of volunteers can Girl Scouts build girls of courage, confidence and character who make the world a better place.

Your Service Team is planning for the coming Girl Scout year. It is important to know as soon as possible whether you wish to continue as a Leader and/or help out on the Service Team. Also, please add the names of any other adults who might be willing to help out. Follow-up will be made with them to ensure continuity of the Troop.

We hope that you will continue to help us bring Girl Scouting to the girls in our community.
