

Golf is a great game. It is even better when you have an awesome day on the course and, just by playing a game you love, you help children in our community. On Friday, September 7 at Lincoln Greens Golf Course, you have that opportunity.

Every dollar we earn at the Y's Golf for Kids goes directly to pay for scholarships for children and families in our community, so they may join the Y and participate in our many programs such as swim lessons, soccer, flag football, gymnastics, art classes and so much more. No child is turned away from the Y for an inability to pay.

All money raised stays right here in our community to improve the lives of our children and families. The Y provides a healthy and secure environment for children to be children.

In 2011 our financial assistance allowed us to:

Enrich the lives of over 18,679 children through our programs and services.

Provide 331 summer camp weeks for underprivileged youth.

Provide 1,650 youth scholarship memberships to the YMCA.
