12 INCH 150 GRAM VINYL PRICING

OUR "STANDARD WEIGHT" 12 INCH VINYL. MADE IN CLEVELAND, OHIO WITH PRIDE.

150 Gram vinyl is Gotta Groove's standard weight for 12" record pressings. 150 grams means that the records can average anywhere between 137 and 165 grams, depending upon factors such as the program material, vinyl color, labels, and other technical considerations. Gotta Groove will always run records at the optimal settings to achieve the best sound and aesthetic quality possible for each particular record. No two records run exactly alike!
