Photography

Permission is granted to use my child's/ward's picture in future advertisements, website and literature for PYFCA and events sponsored and conducted by them.

Fundraising

Fundraising is our single most important way of generating funds to maintain and improve our association. We need everyone's participation in our fundraising events. However, we realize some people prefer not to fundraise. Therefore, we provide parents with the option of giving a onetime donation. Clearly indicate your choice with a check mark.

I choose **NOT** to participate in any fundraising event. Instead, **I will pay an opt-out fee in the amount of \$40** per household (not per child). Payment must be made by **Tuesday, September 8, 2015**.

I choose to participate in the PYFCA fundraising event(s).

Volunteering

Parents/guardians, of children participating in the PYFCA program, are required to work a minimum of **2 hours per child** in either the concession stand, chain crew or other requested need for the association. Children of parents, who fail to volunteer the time requested, will be required to show up fully dressed and sit out a game, i.e. benched a game. If a parent is unable to volunteer, a suitable adult can work for them. All parents are responsible for signing up to volunteer.

Uniform & Equipment

Use of uniforms and equipment is done so with the understanding that parents/guardians take full responsibility for the cleaning and maintenance of them as well as for the replacement cost of any lost, stolen or damaged items. Replacement cost for: **Football:** Game Jersey - \$100, Game Pants - \$50, Practice Jersey - \$30, Practice Pants - \$30, Shoulder Pads - \$50, Helmet - \$100. **Cheering:** Skirt - \$75, Top - \$75
All uniforms are to be cleaned prior to return and returned upon request.

Trophies & Awards

Trophies and/or awards will be provided to participants only after the following conditions are met.

- The return of all uniforms and equipment.

3 of 4

- The participant's completion of the playing season. A participant will be deemed to have completed a season if he/she participates in six of the eight regular season games, with participation in the last two regular season games being a requirement.

Trophies not picked up by the end of the year become the property of PYFCA.

Game Participation

To be eligible to participate in a game the player must participate in the pre-game warm ups. Players must also attend a minimum of two practices during the same calendar week as the game being played.

My signature below verifies I have read and agree to the policies set forth by PYFCA.

Volunteers

PYFCA is always looking for volunteers. The success of our association depends on volunteers. **Without volunteers there would be no Associations for your child.** Our children learn from example. Set an example for your child and volunteer some of your time. Our association needs your help to continue to make PYFCA an excellent program. Please volunteer some of your time this season. Let us know those areas you are interested in assisting us with.

Please check those areas you are willing to assist us with.
