MASTHOPE MOUNTAIN COMMUNITY

HC1 1A353, Lackawaxen, PA 18435

Dear Property Owner,

We would like to plan for our future and we need your help! Our community continues to grow and change and it is important to plan now for the immediate and long-range safety, quality of life, amenities, facilities and recreation for property owners.

To begin developing a plan, our long range planning committee has created a survey in an effort to gain input from as many property owners as possible. This survey can be completed in a number of ways. The easiest method is to go online to www.surveymonkey.com/s/masthope5Survey and complete the survey. You can also call the property owner office and ask to have one sent to you by email or regular mail. A copy of the survey can be printed from the community website at www.masthope.org. Volunteers will also be distributing the survey at the lodge during Presidents Weekend.

Your response to the survey is IMPORTANT and the results will provide valuable direction as we continue to develop our community to serve property owners. Please take the time to review and respond. It is your community and we value your input.

Please take this 5 Minute Survey. Your input is essential for the future of Masthope.
