

It is the policy of USA Rugby that each territory and local area union must conform to the minimum standards of the collegiate eligibility rules as set forth by USA Rugby (see Eligibility Rules at *www.usarugby.org*). To ensure verification of the eligibility of collegiate rugby players for the annual championships, as defined by USA Rugby, we ask your assistance in completing the attached form. Please contact your local or territorial collegiate representative or USA Rugby if you have any questions (Kim Brock, <a href="mailto:kbrock@usarugby.org">kbrock@usarugby.org</a> or 303.539.0300 x 100).

### Each collegiate **PLAYER** is required to:

- a. Present a current student or military ID card and a photo ID (if student or military ID is not a photo ID).
- b. Present verification of CIPP enrollment (i.e., USA Rugby certified team roster).
- c. Sign a USA Rugby Waiver and Release Form.

When presented to the college/university registrar by the club, the Collegiate Player Eligibility Form should contain only the following:

- a. Player names;
- b. Player signatures authorizing the release of their enrollment information and status;
- c. Player student ID Numbers; and
- d. Player USA Rugby CIPP Numbers (ie: USA Rugby membership #).

THE REGISTRAR SHOULD MARK OUT ANY REMAINING BLANK ROWS ON THE FORM.

The registrar may supply the rugby club with copies of the completed form before it is mailed and may also sign and certify that the copies are accurate reproductions.
