

EcoMaster – Solar PV Project Initiation Form

A separate form should be completed for each roof on which a Redland Solar PV system is to be considered (Note: a roof zone is defined as possessing the same roof construction, orientation and pitch). Please do not hesitate to attach additional documents, e.g. relevant drawings, photos, comments, or other Redland project specification forms (e.g. SpecMaster, FixMaster etc) - for each roof zone.

Date:	/ /	MBDM	EMPV
Name		Company	
Correspondence Address		Site Address	
Postcode		Postcode	
Telephone No.		Mobile No.	
Email			

ROOF ZONE DETAILS:

What is the planned orientation of the PV tiles? _____ degrees.

Alternatively, please select the approximate orientation:

- | | | | |
|---------------------------------------|--------------------------------------|--------------------------------------------|--------------------------------------------|
| <input type="checkbox"/> North (0°) | <input type="checkbox"/> East (90°) | <input type="checkbox"/> North East (45°) | <input type="checkbox"/> North West (315°) |
| <input type="checkbox"/> South (180°) | <input type="checkbox"/> West (270°) | <input type="checkbox"/> South East (135°) | <input type="checkbox"/> South West (225°) |

What is the pitch of the roof (degrees)? _____ What is the width of the roof (m)? _____

What is the length of the slope (eaves – ridge) (m)? _____

Are there any roof windows, dormers, chimneys etc.? No Yes Please provide drawings/photos indicating their location.

Are there any surrounding features that may cast shadows onto the roof (trees, adjacent buildings etc)? No Yes

If yes, how would you rate the shading? Little Modest Significant Heavy

What is the current / proposed roof covering?

- | | | | |
|-------------------------------------------------|--------------------------------------------------|----------------------------------------------------------|----------------------------------------------------------|
| <input type="checkbox"/> Redland Cambrian Slate | <input type="checkbox"/> Redland Grovebury | <input type="checkbox"/> Redland Landmark Double Pantile | <input type="checkbox"/> Redland Mini Stonewold |
| <input type="checkbox"/> Redland DuoPlain | <input type="checkbox"/> Redland 50 Double Roman | <input type="checkbox"/> Redland Landmark Double Roman | <input type="checkbox"/> Redland Mockbond Mini Stonewold |

PROJECT:

Is the project a: New Building Refurbishment

Do you have a minimum power requirement? No Yes _____ kWp

Do you have a minimum output requirement? No Yes _____ kWh/yr

Is the use of renewable energy a planning requirement? No Yes

What is the intended use of the building? Private Residential Non-housing (e.g. schools, hospitals, church, etc). Public Residential Commercial / Industrial (e.g. business premises)

What is the current stage of the project Pre-planning Planning submitted Reserved matter granted Planning approved Tender awarded Construction

When is the project due to start (month / year)? _____ / _____

Other services required
