

# Aberdeen Breast Cancer Awareness

## Paint the Town Pink!

### 5K Run/Walk and Poker Run

#### Aberdeen, MD

The Aberdeen Bernard Tobin American Legion Post 128 is partnering with the Aberdeen Chamber of Commerce, Aberdeen Rotary Club, and the Lions Club International to raise funds for cancer patients in the Aberdeen/Harford and Cecil County area and to raise awareness of the importance of early cancer screening and detection.

This event will consist of a 5k run/walk the morning of October 3rd to be followed by a Motorcycle Poker Run that will travel through the Susquehanna River Valley and will be open to all vehicles. Both events will raise money through entry fees and the sale of items such as t-shirts, bandanas, commemorative pins, etc.

Paint the Town Pink promises to be a fun-filled day that the whole family can enjoy. Participants can also have the satisfaction of knowing that they are helping cancer patients in the Aberdeen/Harford and Cecil county area. Proceeds will be donated to the University of Maryland's Kaufman Cancer Center and Cancer LifeNet, provider of supportive care services for cancer patients and their families.

### How Can You Help?

In order to make this event a success, we are asking for help and donations from area businesses. Of course, monetary donations are our primary request, but we want to generate interest and collect funds through ticket prize drawings as well. If your business specializes in items that you think would be appropriate for this event, please feel free to donate them. All donated items must be submitted by September 1, 2015 so that we can include them in our planning. The deadline for sponsorship donations is September 1, 2015. Sponsors name/logos (**jpg** or **vector**) will appear on the back of the shirt for a minimal of \$50.00.

For this event we will be selling t-shirts with the names or logos of the businesses who have contributed printed on the back. This is our way of saying thank you for supporting your community! If we can count on your help, please fill out the attached form.

Once again, thank you for helping to raise cancer detection awareness and for making the lives of cancer patients and their families a little easier.
