STUDY OF THE IMPACT OF THE GLOBAL ECONOMIC CRISIS ON PRIMARY SCHOOLS

TEACHER SURVEY
2010 SCHOOL YEAR

Survey number: _____

Administered by: _____

Date: _____

School name: _____

Country: **Botswana**

Dear School Teacher,

We are asking you to complete this survey as part of UNESCO's study of the impact of the global economic crisis on primary schools. We greatly value the opinion of school teachers and hope you will take the time to complete this survey.

Purpose and Benefits of Study: Late in 2008/early 2009, the world experienced one of the most severe global economic crises since the 1930s. Although there have been warnings on how education can be impacted by the global crisis, evidence on whether and how it trickles down to schools is scant. This survey asks about your experiences as a teacher in a context of a global economic crisis. The information you give will be helpful in learning about the implications of the crisis on teachers and in guiding efforts to develop the means to detect early impacts of future crisis in time to protect the teaching and learning conditions in schools.

Sponsor: This UNESCO study is being facilitated in Botswana by researchers at the *University of Botswana, Faculty of Education*. It is sponsored by the United Nations' Global Pulse initiative, through the Rapid Impact Vulnerability Analysis Fund (<http://www.unglobalpulse.org>).

Voluntary Participation and Confidentiality: Taking part in this survey is voluntary. Your relationship to the school and its programs will not be affected if you decide not to complete the survey. Feel free to skip any questions that you prefer not to answer. All information collected will be confidential. We will not provide any information that identifies you individually to anyone outside of the study team.

Response Burden: The survey will take about 1 hour to complete.

More Information: For questions or more information about this study, you may contact the research team at the University of Botswana, Faculty of Education in Gaborone, by telephone (3352399) or email (Monyatsip@mopipi.ub.bw).

Please either write your answers directly on the questionnaire in the space given, or by ticking a box (using an "x" as illustrated here:)

If you are unsure about how to answer a question, please give the best answer you can rather than leaving it blank.
