# Mix and Match classes like a **COLLEGE** Student

9:00 AM —9:50 AM

## BEGINNER SIGN LANGUAGE

Do you want to learn more about the third most popular language spoken in the United States? If so, Beginner Sign Language is for you! Learn the alphabet and some basic words for simple conversations with the hearing impaired.

Instructor: Angie Conklin

## SUMMER FUN-DAMENTALS

Join us for a fun filled week of FUN-damentals! Each day throughout the week will focus on a new theme. Students will learn how to create tip-colored flowers, be creative with plants, learn balloon art, and discover fun with bubbles. Don't miss out on the fun! Instructor: Christine Wright

10:00 AM—10:50 AM

## SIMPLE SCIENCE FUN

Have you ever stopped to observe the scientific activities happening around you every day? Science is everywhere, and it's so much fun! Come join us for some simple, yet exciting, science experiments that you can do by yourself or with friend.

Instructor: Jenny Collins

## PUZZLES & TREASURES 101

Learn a new skill every day! Activities include puzzle and problem solving, code decryption, map following, and indoor and outdoor treasure hunting!

Instructor: Andrea Barbknecht

11:00 AM—11:50 AM

## BEGINNER SPANISH

Come learn to speak basic Spanish in this fun class. Instruction will be given on basic words and phrases that allow you to converse in Spanish! Students will also have the opportunity to explore Spanish crafts and more.

Instructor: Jessica Thum

## TAKING IT OUTSIDE

Spend some time outside in the SRC Arboretum and learn how to identify the plants found there. Students will also have the opportunity to learn about the local grown food program at SRC and to lend a hand in the SRC garden.

Instructor: Jeff Bash
