

Essex County Farm Bureau Scholarship

This scholarship is available to any student accepted to a 2 or 4-year college or university and whose family has an active Essex County Farm Bureau membership. The family should have ties to horticultural or agricultural backgrounds, and it is desirable, but not necessary that the student would like to stay connected in some way to the farming community. The scholarship is \$1000 and is awarded by mid May.

Please contact Glenn Cook at (978) 388-4592 for an application.
